non interventionism in Latin America helped broker the most spectacularly successful policy reversal in United States history This is a monumental work of scholarship that will fundamentally change the way we think of Spanish and English colonialism slavery and racism and the rise of universal humanism At once comprehensive and accessible America Am rica shows that centuries of bloodshed and diplomacy not only helped shape the political identities of the United States and Latin America but also the laws institutions and ideals that govern the modern world In so doing Grandin argues that Latin America s deeply held culture of social democracy can be an effective counterweight to today s spreading rightwing authoritarianism A culmination of a decades long engagement with hemispheric history drawing on a vast array of sources and told with authority and flair this is a genuinely new history of the New World **Westward Expansion (eBook)** Moehle and Mitchell,1972-09-01 Westward Expansion contains 12 full color PowerPoint slides 28 reproducible pages including five pages of test material and a richly detailed teacher s guide Among the topics covered in this volume are the territorial growth of the United States manifest destiny the Louisiana Purchase the Mexican Cession The Oregon Country the Gold Rush of 1849 **Cracking the AP U.
