

Dear (Name.....),

I am writing this letter of recommendation for Juan Carlos Kennedy, a devoted and knowledgeable nurse whom I have worked with for as long as 5 years (2016-2020). Juan Carlos Kennedy has assumed a significant part as a registered nurse at our Critical Care Department here in Mercy Hospital. He is a conscientious person who can stay cool and centered under any kind of pressure.

JC Kennedy is an exceptional worker; he is well versed in critical care and is a very compassionate Nurse. He demonstrated immediately that he is fit for working long periods and conveying a heavy workload. It takes a few medical nurses a long time to settle in, yet JC Kennedy has a talent for this profession which was quickly exemplified by his inherited correspondence and crisis management skills. In circumstances where prompt help is needed for a patient, JC Kennedy meets the challenge at hand and takes care of issues similarly as fast as they originate. As a nurse, you're confronted with various difficulties consistently, so you must be sharp-witted and be able to think critically under immense pressure. Mr. Kennedy achieves this without a stammer, his problem-solving aptitudes and capacity to discuss effectively with patients are remarkable. While Mr. Kennedy is on move, patients can relax knowing they're in good hands.

JC Kennedy has my highest recommendation. Although he will be greatly missed, I am confident he will continue to thrive in his chosen profession by providing only the best care for his patients. JC Kennedy has been the glue that holds this department together and, if he is hired, I believe this gift will carry over to his next position.

Sincerely,
