### How Can You Further Support Your Child's Learning?

- Continue to read with \_\_\_\_\_ on a daily basis. Books can be accessed through the local library. When reading, encourage \_\_\_\_\_ to make predictions and afterwards ask him/her various questions about the text.
- I would recommend for \_\_\_\_\_ to keep a simple diary during the summer. Encourage her to write her thoughts, feelings, things she enjoyed about the day, etc.
- I believe it would be beneficial for \_\_\_\_\_ to use math for life topics including time, money, weight, etc. in real life instances throughout the summer months. Continued emphasis on habits and mental math will be beneficial in \_\_\_\_\_ class.
- Set aside a regular time and place for your child to do their homework or school-related tasks, and ensure that they have the necessary time without distractions to ensure the work is completed to a high standard.
- Encourage your child to read for pleasure and discuss their reading with them, which can help build their vocabulary and comprehension skills.
- Use everyday situations as opportunities for learning, such as cooking together, counting money, or discussing current events.
- Communicate regularly with next year's teacher to stay informed about their progress and to learn about ways you can support their learning at home.
- Encourage your child to ask questions, explore their interests, and take risks in their learning, which can help build their confidence and motivation to learn.
- Keep up the fantastic work you do with \_\_\_\_\_ on a daily basis!
- Encourage your child to read a variety of texts, including fiction and non-fiction, and discuss the themes, characters, and ideas in the texts to build their comprehension skills.
