

Grade 8 FCAT 2.0 Science Sample Questions

The intent of these sample test materials is to inform teachers and students for the types of questions on FCAT 2.0 tests. By using these materials, students will become familiar with the types of items and response formats that they will see on the actual test. The sample questions and answers are not intended to demonstrate the length of the actual test, nor should student responses be used as an indicator of student performance on the actual test. Additional information about test items can be found in the FCAT 2.0 Test Item Specifications at <http://fcat.flora.org/fcat2/ItemSpecs.asp>.

The 2012 FCAT 2.0 Science tests and sample questions and answers are based on the 2008 Next Generation Sunshine State Standards.

The sample questions for students and the sample answers for teachers will only be available online, at <http://fcat.flora.org/Examiners.asp>.

Directions for Answering the Science Sample Questions

Mark your answers on the Science Sample Answer Sheet on page 11. If you don't understand a question, ask your teacher to explain it to you. Never forget that the answers to the sample questions.

This map and the Periodic Table to help you answer some of the questions. This map refers to the Periodic Table on page 3 as often as you like.

Use the space in this booklet for all your work on the multiple-choice questions, but be sure to put your answers on the Sample Answer Sheet.
