**Between a Witch and a Hard Place** Celia Roman,2021-11-30 Twelve years ago my mother a powerful chaos witch walked out on me and my twin brother without a backward glance We didn t hear another word out of her until a vampire

walked into my brother Nick's bar wanting me to track her down. She'd disappeared into thin air and he insisted that I was the only one who could find her. Of course I refused. How could I not? Disappearing was Mom's wheelhouse and after she'd disappeared on us, I never wanted to see her again. Then members of the local supernatural community started turning up dead and Nick was fingered as the suspect. With his life on the line, I had to make a choice: throw everything I had at finding the real culprit and maybe our mother or be forced to watch while the local werewolf pack tore Nick limb from limb as punishment for a crime he didn't commit.
