## **Perfect Brilliant Stillness:**

**Perfect Brilliant Stillness** David Carse, 2005-09 An intimate account of spontaneous spiritual enlightenment and its implications in a life lived beyond the individual self It is so rare to see any work that holds that essential and fundamental perception without compromise Your book is a beacon which can shine through all of the fog and nonsense that is broadcast under the name of advaita or non duality Especially as that expression comes out of no one Tony Parsons author of The Open Secret As It Is and All There Is This book is a Gonzo Gita a Gone so Song of God a soaring rampaging loving outpouring of Unmanifest Source displayed in manifest consciousness playing a complex spiritual melody through the hollow bamboo flute of a Vermont farmer carpenter building contractor who was all but ignorant of the non dual tradition before a disorienting full enlightenment struck and he realized there s nobody home Robert Gussner PhD Professor Emeritus University of Vermont Dept of Religion *1000: The Levels of Consciousness and the Stages of Awakening* Ramaji, Ananda Devi, 1000 is the 820 page complete guide to LOCs Levels of Consciousness and the Stages of Awakening 1000 is a uniquely accessible breakthrough book that explains the complete spiritual path from beginning to end Students of meditation prayer self inquiry enlightenment non duality Advaita yoga and Eastern religion will find it to be an unusually spirited fiercely candid passionate work *Essential Advaita* Shivada Amrita, 2022-02-09 The interweaving of knowledge and philosophy up to the modern era goes back to Thales of Miletus regarded as one of the seven sages of Greek civilization 624 BC 543 BC Know Thyself is an aphorism of knowledge attributed to the times of Thales This Greek Maxim etched in stone at the gate leading to the temple of Apollo in Delphi has become a philosophical question studied to this day Another sage in the exposition of total knowledge a Vedic master of Indian philosophy was Adi Shankara 509 497 BC his teachings of Advaita the Nondual reality of life provided an in depth study of knowing the true nature of Self and fulfilling on a practical level to his society what the Greeks knew as the highest teaching This book explores the Nonduality Oneness philosophy modern spiritual teachings from ancient times My discussions about Oneness have the flavor of the Advaita tradition a revived and current view from Vedic Science and the contemporary study and thinking about Nonduality Shivada Amrita Website [advaitaspeaks.com](http://advaitaspeaks.com) **SELF SEEKING** Dennis Waite, 2025-10-14 Separate the true teachers from the self seeking gurus [Enlightenment by Trial and Error](#) Jay Michaelson, 2019-11-18 The spiritual but not religious are the fastest growing denomination on America today Yet what are the roadmaps What does the spiritual search look like for a seeker in 21st century America fully plugged in online cynical and sincere Enlightenment by Trial and Error is a unique book by bestselling author and Daily Beast columnist Jay Michaelson Today Michaelson is a rabbi with a PhD in Jewish Thought a teacher on the Ten Percent Happier meditation app and a political columnist read by a quarter million readers per month But not long ago Jay was a young spiritual seeker pursuing mystical experiences and even enlightenment with an open heart and restless intellectual curiosity Drawn from essays written over a ten year period of questioning and exploration this book is a unique record of the spiritual search from the

perspective of someone who made plenty of mistakes along the way      **The Book of One** Dennis Waite,2010-05-11 A comprehensive yet entertaining introduction to Advaita the non dual philosophy which provides a completely reasonable explanation for who we are and the nature of the universe There are many self help approaches promising enlightenment and happiness but most are illogical and lack any proven capability Advaita has a guru disciple tradition stretching back for several thousand years and can guarantee the sincere seeker a progressive path to self realization A 21st Century treatment of this ancient eastern philosophy this book addresses all of the issues that are covered by both traditional teachers from the lineage of Shankara and by modern satsang teaching and Direct Path methods stemming from Ramana Maharshi and Krishna Menon Topics are explained in an accessible and readable manner using amusing quotations and stories along with an abundance of metaphors from a wide variety of sources      **Back To The Truth** Dennis Waite,2010-05-11 A systematic treatment of Advaita which demystifies it differentiating between approaches and teachers enabling you to decide which approach is most suitable for you      **Already Awake** Nathan Gill,2004-09-01 Nathan Gill is a rare voice in contemporary spirituality Speaking with consistent clarity he points out that all prescriptions for escape from the drama of separation instead serve as its reinforcement Compiled from transcripts of one to one dialogues and group meetings the talks featured in *Already Awake* present the essential message of non duality in a profound yet straightforward way Also included by way of an introduction to the main text is a revised version of Nathan s first book *Clarity*      *Radical Transformation* Imants Barušs,2021-01-28 In *Radical Transformation* Imants Baru s leads the reader out of the receding materialist paradigm into an emerging post materialist landscape in which new questions present themselves If consciousness has nonlocal properties then how are boundaries between events established If consciousness directly modulates physical manifestation then what is the scope of such modulation If consciousness continues after physical death then how much interference is there from non physical entities As we face the threat of extinction on this planet is there anything in recent consciousness research that can help us Are there effective means of self transformation that can be used to enter persistent transcendent states of consciousness that could resolve existential and global crises The author leads the reader through discussions of meaning radical transformation and subtle activism revealing the unexpected interplay of consciousness and reality along the way

*The Open Path* Elias Amidon,2012-09-16 The globally renowned spiritual teacher offers a guide to awakening our most enlightened nature the unified awareness behind all consciousness Interest in nondual awareness as the essence of spiritual awakening is rapidly expanding throughout the Western world Those who follow spiritual paths such as Buddhism Hinduism Sufism and Kabbalism often come up against a kind of ceiling due to their religion s cultural context or a belief system that places awakening beyond the reach of adherents For years Elias Amidon has helped seekers break through their blockages with his nine month Open Path trainings conducted all over the world In *The Open Path* Amidon shares the lessons and exercises of these trainings It is a guide to the realization of the silent ground of all being and to expressing that realization

in your daily life     Into the Stillness Gary Weber, Richard Doyle, 2015-05-18 At once extraordinarily wide ranging and sharply focused Into the Stillness offers readers several deceptively simple and informal conversations about life existence and identity in one important book Authors Gary Weber and Richard Doyle outline practical instructions on how to break free from harmful self referential thoughts while providing a path to awakening wholeness and stillness     Growing One's Inner Wisdom - to the Max Dr. Lynn, 2013-07-16 THIS BOOK IS AVAILABLE IN BOTH B W AND COLOR Welcome to the great wisdom oriented guidance of our 2 ever more full of Life Liberty and true found Happiness Characters Quantum Katie Cosmic Charlie Whom we the authors have designed to help carry every One of Us ever more deeply into what we all already know within the very Heart Core of Us     Answers... to the Difficult Questions Dennis Waite, 2020-03-27 All spiritual seekers encounter problems A question arises which appears to challenge the veracity of their chosen path If an answer is not found quickly there is a great danger that the particular teaching will be abandoned and another sought Dennis Waite draws on traditional Advaita teachings to answer all seeker related questions He first invited questions to his website in 2005 and this book collects questions and answers in a comprehensive volume for experienced and new spiritual seekers One answer often leads to a new worry and his website advaita vision org continues to accept questions No question is too difficult for Advaita Vedanta and all answers are reasonable     Only That Kalyani Lawry, 2010-11-01 Through John Wheeler and other influential teachers and through his two books of dialogues Sailor Bob Adamson has become a familiar name to those interested in non dual spirituality With assistance from friends and family and from Bob himself Kalyani Lawry has compiled an absorbing account of his life illustrated with photographs from Bob s personal collection The second part of Only That consists of dialogues which have an immediacy that is closer than your breathing nearer than your hands and feet and a depth that reflects Bob s life experience while pointing clearly to the ultimate reality Thou art That     Love Outpouring Scott Flynn, 2024-09-27 Ego shaves the vibrancy edges off of life dulling life s inherent wonder dampening one s love of humanity while concurrently dimming the beauty of the world Self reinstates life s vibrant glory as Self consciousness re recognizes its love for its own creation and in doing so falls deeper and deeper back in love with itSelf ever more enhancing the vibrancy of the mystery of life Knowing the difference between who you are and what you have mistaken yourself to be eliminates the ever fluctuating life fragmenting ego leaving only a permanent aware presence that re illuminates the vibrant wholeness of life that has always been all to re establish the eternal wondrous awe that has not been witnessed since childhood Love Outpouring is a gracious invitation from yourSelf to yourSelf to expose the ever present happiness that is already inherent within You so that you may experience directly again the perplexing awe of life You have written yourSelf this book for the purpose of giving yourSelf the permission to fall back in love with yourSelf and allow yourSelf to unavoidably shine your love light upon the world as brightly as possible the greatest gift you or anyone can share with humanity     The Gospel of Thomas Robert Wolfe, 2010-11-11 If Jesus like the Buddha and the ancient Indian Vedas before him taught the radical

oneness of all things an unorthodox singularity between self and the divine where is the record of such pronouncements by Jesus It s not in the New Testament In 1945 a discovery in an Egyptian desert may have revealed such a document The Gospel of Thomas     *Apotheosis Now* Yanhao Huang,2021-04-13 Many of us are starting to become tired of this game of life We have been comparing and striving all our life But no matter how much success we have achieved we are still hollow and still have found nothing fulfilling We don t even know if happiness exists because it is no longer a living thing in our experience it has become dead as we only know it as a concept or memory We have sought self help advice philosophies and religious teachings to transform ourselves but have not gotten anywhere We have made some superficial improvements like adopting a new mindset but our core remains the same We are still competitive still fearful and we get disturbed all the time The problem with all attempts at self improvement is that we do not address the fundamental problem which is who is the you who needs to be improved We do not see that the one who is making the improvement is the same one who needs to be improved The more we try to improve the more conflict we introduce within and without The more knowledge we stuff in our heads the more we become trapped in a conceptual prison of reality Inevitably the more confused we get in life The book guides the reader out of their distorted beliefs to experience reality beyond the mind When the deeper intelligence is allowed to flourish without our mind s interference then the game of life becomes effortless     Living Space Paul Holman,2018-12-14 Discussing the idea with reference to accounts of awakening in esoteric literature as well as contemporary psychological methods Living Space Openness and Freedom through Spatial Awareness proposes that a common denominator in both physical and emotional healing is the creation of more perceptual and conscious space and that an easier and more spacious awareness can be achieved by relatively simple changes to the way we pay attention These ideas have implications for the way we balance body mind and spirit     *Dancing with the Void* Betty Camhi,Gurubaksh Rai,2015-05-03 Born in Denmark in 1890 Sunyata was from birth utterly without desire ambition and ego Thus the name Sunyata and description of rare born mystic was given to him years later in India by the revered sage Sri Ramana Maharshi A lover of silence and solitude Sunyata remained untouched by the common worldly conditioning that entraps so many His fateful journeys inspiring friendships and the spiritual wisdom shared in these collected writings all reflect the soul of an authentic seer Sunyata s experiences and musings are ever relevant for they concern something that is of value to all the illumination and liberation of the human spirit Adyashanti writes Sunyata was the rarest of incarnations A naturally born enlightened being of singular uniqueness and inventiveness The story of his life is itself a profound spiritual teaching and a living example of how awakened spirit moves through the challenges of life     *And Then, Nothing Happened!* Oya Zen-Rama,2017-02-20 This rising sun is an invitation to see the Garden of Eden around us with open eyes and with closed eyes the Kingdom of Heaven within us here and now The ancient mystics termed this enlightenment Sahaja Samadhi As Oya Zen Rama discovers this profoundly peaceful state is a natural consequence of the stunning insight that in reality theres

nothing happening This collection of verse is an outpouring from the inner voice over a four year period from 2013 to 2016 It is a contemporary song and dance about an age old mystery and a celebration of the journey towards enlightenment and life beyond enlightenment An interesting introspective collection of verse there is something in each poem that relates to us all The spontaneous poetry contained herein documents stunning spiritual realizations blow by blow It offers a new testament to the aliveness of our non dual reality and the freshness and fun of our inner voice It is a guide to those walking the path of love and a light celebrating our true nature as we make a courageous leap into enlightened reality
