Membership is granted to all members paying a regular fee. Full members have a change privilege. Changes in membership and services are recorded in exchange slips, which is signed by the member.

At the end of each day, each rule and change are stored in the financial data processing system. The financial data processing system is used to track the system. Daily rule changes are implemented in the system. Personal Finance president, Charles Lott, discussed the system with several executives, agreed with a list of all the activities.

At the end of the month, the financial manager used financial data processing system to generate monthly summary of the Personal Finance transactions and changes, a financial summary, and
