COL FELIPE B BEJAR JR MNSA RC #47 My Personality Profile I am 47 years old and born on January 05. I am happily married with two children both living on their own with their respective husbands. My ambition since child was to become a teacher which was influenced by my high regards to my mentors looking at them as having so much knowledge and wisdom to impart to their students. The childhood ambition was derailed due to financial considerations when I was a freshman with my three other siblings also in college.

I had to consider a course that would free my parents from the burden of not only the tuition fees but all the expenses for a decent and promising career. My acceptance to the Philippine Military Academy in 1981 made my parents the proudest in the community. A lot have been dreaming of entering the premier military school but only a few are given the opportunity and privilege. Besides, it has been the wishes of my late father to have one of his three sons to be in the military service as he could never forget his adventures with the Japanese forces as a child.

Upon graduation from PMA, another sort of luck came when I was given a scholarship to yet another premier school, the University of the Philippines, which I took up BS Civil Engineering course and eventually passed the board examinations. This chartered my career in the military. I'm now with the Philippine Army Corps of Engineers which I recently handled the salient position as Chief of Staff of the 53rd Engineer Brigade. This was preceded by a three years stint in PMA and being an engineer battalion commander for two years in northern Luzon.

ENNEAGRAM As a requirement for acceptance at the National Defence College of the Philippines for the Master of National Security Administration course, I undertook a series of tests which classified my Emotional Quotient to be that of an "Achiever" or the "#3" type under the ENNEAGRAM Profiling method. As an Achiever, I am described to be energetic, optimistic, self-assured, and goal oriented. The description somehow fits me. I'm into various sports therefore athletic and energetic. As an athlete, it developed in me to be always with a positive outlook in life. As an optimistic person and athletic, I always feel very confident in most of my undertakings. Also being a military man, I am mission oriented and accomplishment is always a priority. At "The Dinner Party" situation, an Achiever usually thinks of finishing his meal ahead and would leave as he feels "swamped" by a big crowd for the dinner with different personalities. I found this description to be applying to myself on most dinner occasions I attend.

I tend to be uncomfortable being with so many different personalities on a dining table and often I want to extricate myself. The "Arrows" diagram says that when I'm relaxed, I tend to assume the positive qualities of a #6 or a "Questioner" person such as responsible, trustworthy and one who values loyalty to family, friends, groups and causes. Also the diagram showed that when...

Of Fear and Strangers George Makari, 2021-09-14 Winner of the International Psychoanalytical Association's 2023 Elisabeth Young Bruehl Prejudice Award A Bloomberg Best Nonfiction Book of 2021 A startling work of historical sleuthing and synthesis *Of Fear and Strangers* reveals the forgotten histories of xenophobia and what they mean for us today By 2016 it was impossible to ignore an international resurgence of xenophobia What had happened Looking for clues psychiatrist and historian George Makari started out in search of the idea's origins To his astonishment he discovered an unfolding series of never told stories While a fear and hatred of strangers may be ancient he found that the notion of a dangerous bias called xenophobia arose not so long ago Coined by late nineteenth century doctors and political commentators and popularized by an eccentric stenographer xenophobia emerged alongside Western nationalism colonialism mass migration and genocide Makari chronicles the concept's rise from its popularization and perverse misuse to its spread as an ethical principle in the wake of a series of calamities that culminated in the Holocaust and its sudden reappearance in the twenty first century He investigates xenophobia's evolution through the writings of figures such as Joseph Conrad Albert Camus and Richard Wright and innovators like Walter Lippmann Sigmund Freud Jean Paul Sartre Simone de Beauvoir and Frantz Fanon Weaving together history philosophy and psychology Makari offers insights into varied related ideas such as

the conditioned response the stereotype projection the Authoritarian Personality the Other and institutional bias Masterful original and elegantly written *Of Fear and Strangers* offers us a unifying paradigm by which we might more clearly comprehend how irrational anxiety and contests over identity sweep up groups and lead to the dark headlines of division so prevalent today

Elena Garro and Mexico's Modern Dreams Rebecca E. Biron, 2012-12-15 Elena Garro and Mexico's Modern Dreams uses Elena Garro's eccentric life and work as a lens through which to examine mid twentieth century Mexican intellectuals desire to reconcile mexicanidad with modernidad The famously scandalous first wife of Nobel Prize winner poet Octavio Paz and an award winning author in her own right Garro constructed a mysterious and often contradictory persona through her very public participation in Mexican political conflicts Herself an anxious and contentious Mexican writer Elena Garro elicited profound political and aesthetic anxiety in her Mexican readers She confused the personal and the public in her creative fictions as well as in her vision of Mexican modernity This violation of key distinctions rendered her largely illegible to her contemporaries That illegibility serves as a symptom of unacknowledged desires that motivate twentieth century views of national modernity Taken together Garro's public persona and critical perspective expose the anxieties regarding ethnicity gender economic class and professional identity that define Mexican modernity Blending cultural studies and detailed literary analysis with political and intellectual history Mexico's Modern

Dreams argues that in addition to the intriguing gossip she elicited in literary and political circles Garro produced a radical critique of Mexican modernity Her critique applies as well to the nation s twenty first century crisis of globalization state power and pervasive violence *Methods of Paragraph Development* Rolando R.
