

An aerial photograph of a long, multi-lane bridge stretching across a vast expanse of turquoise water under a blue sky with scattered clouds. A unit circle diagram is overlaid on the bridge, with the circle's center at the origin of the bridge's length. The circle's circumference follows the bridge's path, and its radius is marked by a line extending from the center to the edge of the circle. The bridge's lanes are clearly visible, and the water's surface is textured with small waves.
