Unaccompanied Children in European Migration and Asylum Practices Mateja Sedmak, Birgit Sauer, Barbara Gornik, 2017-07-06 Unaccompanied minor migrants are underage migrants who for various reasons leave their country and are separated from their parents or legal customary guardians Some of them live entirely by themselves while others join their relatives or other adults in a foreign country The concept of the best interests of a child is widely applied in international national legal documents and several guidelines and often pertains to unaccompanied minor migrants given that they are separated from parents who are not able to exercise their basic parental responsibilities This book takes an in depth look at the issues surrounding the best interests of the child in relation to unaccompanied minor migrants drawing on social legal and political sciences in order to understand children s rights not only as a matter of positive law but mainly as a social practice depending on personal biographies community histories and social relations of power The book tackles the interpretation of the rights of the child and the best interests principle in the case of unaccompanied minor migrants in Europe at political legal and practical levels In its first part the book considers theoretical aspects of children s rights and the best interests of the child in relation to unaccompanied minor migrants Adopting a critical approach to the implementation of the Convention of Rights of a Child authors nevertheless confirm its relevance for protecting minor migrants rights in practice Authors deconstruct power relations residing within the discourses of children s rights and best interests demonstrating that these rights are constructed and decided upon by those in power who make decisions on behalf of those who do not possess authority Authors further on explore normative and

methodological aspects of Article 3 of the Convention on the Rights of a Child and its relevance for asylum and migration legislation The second part of the book goes on to examine the actual legal framework related to unaccompanied minor migrants and implementation of children s rights and their best interests in the reception protection asylum and return procedures The case studies are based on from the empirical research on interviews with key experts and unaccompanied minor migrants in Austria France Slovenia and United Kingdom Examining age assessment procedures unaccompanied minors survivals strategies and their everyday life in reception centres the contributors point to the discrepancy between the states obligations to take the best interest of the child into account when dealing with unaccompanied minor migrants and the lack of formal procedures of best interest determination in practice The chapters expose weaknesses and failures of institutionalized systems in selected European countries in dealing with unaccompanied children and young people on the move

The Top Books of the Year Predicted Paper 2 November 2014 Mark Scheme Higher Tier The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year.

Predicted Paper 2 November 2014 Mark Scheme Higher Tier : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
