**Pregnancy, Childbirth, and the Newborn** Janet Walley, Penny Simkin, Ann Keppler, Janelle Durham, April Bolding, 2016-03-29 If you only buy one pregnancy book, this should be the one. It's the most complete. It covers all aspects of childbearing from conception through early infancy and tells you what to expect. It offers detailed information, suggestions on decisions to make and advice on steps to take to have a safe and satisfying experience. The Award Winning Resource Recommended by Experts. Loved by Parents. Parents love this book because it puts them in control by explaining a wide range of options, information and questions to ask so parents can find what works best for their health situation, personal goals and priorities. Experts love this book because it's based on the latest medical research and recommendations from leading health organizations. It's practical, rooted in the real life experiences of new families. The five authors bring a combined total of 150 years of experience working with expectant and new families as educators, nurses, counselors, doulas, physical therapists and lactation consultants. They have attended hundreds of births, heard thousands of birth stories and assisted innumerable new parents in adapting to their new lives. Not only that, the authors have a combined total of 12 children and 12 grandchildren. All of this experience allows them to write with compassion, understanding and wisdom based on what really works in the real world of parenting. The companion website offers even more details on select subjects including lists of all the best resources on each topic and worksheets to guide parents' decision making process. The website also includes a bonus chapter on pre-conception which provides ways to improve your health and fertility before pregnancy begins.

Have you ever thought about having a baby? Do you want to learn more about the pregnancy process? Are you not quite sure if you are ready to bring a child into the world? If you answered yes to any of these questions, then you are going to want to keep reading. Many women dream of having a child. They think about how amazing it will be to watch their child grow up and become a fantastic adult. The one thing that is required though is not talked about a lot. That's the actual pregnancy. Those nine months plus period changes a woman and her body, and no two women have the exact same experience. This can be a very scary time, and then the actual labor brings about its own set of fears. Not to worry though, this book is here to help. You can worry less about getting pregnant, pregnancy or the labor process by reading this book. Knowledge is a powerful tool for so many things in life, and having a baby is no different. Most of the fear and worry surrounding having a child stems from not knowing what to expect. While each pregnancy is different, there are some things that you can be prepared for just in case they were to happen. In this book, we will cover those things and more. You will learn how to know if you are ready to have a baby. The first signs of pregnancy. What types of things you are going to need for your baby. What to expect during your first, second and third trimester. How to get emotionally ready for your baby. Different options for labor. What to expect if you are having multiple babies. How to be prepared for your baby's first day at home. The importance of breastfeeding. How to know if your baby is feeding enough. Health concerns that might appear in your newborn. Health concerns that mom needs to keep an eye out for. Ten essential points about pregnancy that all potential moms need to know. And much more. Once you read this book, you will know just about everything you can learn about being pregnant. You might not be able to prepare for everything, but you won't be able to say that you don't know anything about being pregnant. Having a baby is a big step in anybody's life, and it should not be taken lightly. It is not something you should rush into, and it is better to be prepared before you get pregnant than be surprised by the pregnancy. Get rid of a lot of the anxiety that you may have concerning pregnancy by learning more about it. If you really would like to have a child or at least learn more about the process, getting this book will help you with that. While you will come to realize that there may never be a perfect time, you will realize that you sometimes have to make the time right. Don't wait any longer. Scroll up and click the buy now button.
