collection presents a compressive account for women s social mobility built up by exploring how family background work career and experience of marriage connect into a mobility profile Starting from conventional questions such as what are the rates of inter generational mobility how do qualifications shape entry to work and how does first job relate to later career achievement the chapters begin to modify the perspective inherited from male mobility models Is marriage in itself a form of mobility and if so in which direction What is the effect of child rearing on careers And how do household arrangements modify both occupational participation and the class position of married woman Our models of the British class structure become increasingly open to question when tested against female mobility experiences Based in the new tradition of mobility studies which is now concerned as much with employment as with class in a narrow sense this study offers a fresh perspective on the idea of social mobility itself Its conclusions and proposals for new ways of seeing mobility for example as a person based profile are equally relevant to students of social stratification social structure and socio economic change as well as those who seek to understand the place of women in society today **Occupational Outlook Handbook** ,2008

Hospitality Employee Management and Supervision Kerry L. Sommerville,2007-02-26 In many hospitality establishments one manager or supervisor is the entire human resources department making all the hiring and training decisions often without having a formal human resources background Filling this knowledge gap Hospitality Employee Management and Supervision provides both busy professionals and students with a one stop comprehensive guide to human resources in the hospitality industry Rather than taking a theoretical approach this text provides a hands on practical and applications based approach The coverage is divided into four sections legal considerations employee selection employee orientation and training and communication and motivation Each chapter in this lively and engaging text features Quotations Various practitioners in the hospitality industry highlight the chapter s focus Chapter Objectives and Summaries lay out key concepts and then at the end of each chapter review them HRM in Action features highlight real world HRM experiences that relate to the content presented in each chapter Tales from the Field Hospitality employees provide accounts of the various challenges they face in the industry Ethical Dilemmas Scenarios from the hospitality industry which emphasize the role ethics plays in every aspect of the hospitality industry Practice Quizzes and Chapter Review Questions reinforce student comprehension of key concepts Hands On HRM Mini cases based on real world situations with discussion questions Chapter Key Terms Bolded within the chapter and then listed at the end of each chapter with definitions **Waiter & Waitress Training** Lora Arduser,2003 These step by step guides on a specific management subject range from finding a great site for your new restaurant to how to train your wait staff and literally everything in between They are easy and fast to read easy to understand and will take the mystery out of the subject The information is boiled down to the essence They are filled to the brim with up to date and pertinent information Hearings United States. Congress Senate,1961 Problems of the Aging United States. Congress. Senate. Special Committee on Aging. Subcommittee on Federal and State Activities,1961

Hearings United States. Congress. Senate. Special Committee on Aging,
