The American Prison Francis T. Cullen,Mary K. Stohr,2014 For the first time in four decades prison populations are declining and politicians have reached the consensus that mass imprisonment is no longer sustainable At this unique moment in the history of corrections the opportunity has emerged to discuss in meaningful ways how best to shape efforts to control crime and to intervene effectively with offenders The American Prison Imagining a Different Future by Francis T Cullen Cheryl Lero Johnson and Mary K Stohr pulls together established correctional scholars to imagine what this prison future might entail Each scholar uses his or her expertise to craft in an accessible way for students to read a blueprint for how to create a new penology along a particular theme For example one contributor writes about how to use existing research expertise to create a prison that is therapeutic and another provides insight on how to create a feminist prison In the final chapter the editors pull together the lessons learned in a cohesive comprehensive essay

Restorative Justice and the Law Lode Walgrave,2012-12-06 Restorative justice has developed rapidly from being a barely known term to occupying a central role in debates on the future

of criminal justice But as it has become part of the mainstream of debate so new tensions and issues have emerged One of the most crucial issues is to find an appropriate combination of restorative justice based essentially on informal deliberation and the law The purpose of this book is to analyse the several dimensions to this issue It explores the social and ethical foundations of restorative justice seeks to position it in relation to both rehabilitation and punishment and examines the possibility of developing and incorporating restorative justice as the mainstream response to crime in terms of the principles of constitutional democracy Amongst the questions it addresses are the following How are informal processes to be juxtaposed with formal procedures What is the appropriate relationship between voluntarism and coercion How can the procedures and practices of restorative justice be combined with legal standards safeguards and precepts How can one balance restorative responses with legally sanctioned punishment In this book a distinguished team of contributors consider this crucial set of relationships between restorative justice and the law building upon papers and discussions at the fifth international restorative justice conference in Leuven Belgium in September 2001 restorative justice has grown rapidly throughout the world this book addresses the central issue of relationship of restorative justice to existing law and legal systems chapters from world leading authorities **Social Justice** Loretta Capeheart, Dragan Milovanovic, 2020-05-15 Drawing on contemporary issues ranging from globalization and neoliberalism to the environment this essential textbook ideal for course use encourages readers to question the limits of the law in its present state in order to develop fairer systems at the local national and global levels **New Developments in Anarchist Studies** P.
