## Resurgence Of Conservatism Summary:

*The Resurgence of Conservatism in Anglo-American Democracies* Barry Cooper, Allan Kornberg, William Mishler, 1988  
This work presents analyses by experts on the rise of a new tide of conservative governments in the United States, Canada and Great Britain in an attempt to find what if any common ideologies and programs unite them with what results in terms of institutional change and policy direction have been and what are the prospects for permanent change

**Summary: The Rise and Fall of Modern American Conservatism** BusinessNews Publishing, 2017-01-30  
The must read summary of David Farber's book *The Rise and Fall of Modern American Conservatism: A Short History*. This complete summary of *The Rise and Fall of Modern American Conservatism* by David Farber, a renowned professor of history, presents the author's gripping account of the rise and fall of the right wing political movement through the careers of six leading figures ending with the historic election of Barack Obama. The book provides rare insight into how conservatives captured the American political imagination by downplaying economic inequality and embracing patriotism and nationalism. Added value of this summary: Save time, Understand the motivations of conservatism, Expand your knowledge of American politics and history. To learn more, read *The Rise and Fall of Modern Conservatism* and discover the recent history of a profoundly violent and powerful political movement.

*The Surge of the Right: Unraveling Conservatism's Resurgence in America* Pasquale De Marco, 2025-07-12  
In *The Surge of the Right: Unraveling Conservatism's Resurgence in America*, acclaimed political analyst Pasquale De Marco takes a deep dive into the resurgence of the Right in American politics. From the rise of Ronald Reagan and the conservative revolution of the 1980s to the election of Donald Trump and the Tea Party movement, Pasquale De Marco examines the factors that have contributed to the Right's resurgence and the impact it has had on American society and politics. Pasquale De Marco argues that the rise of the Right is a complex phenomenon with no easy explanations. However, he identifies a number of factors that have contributed to its resurgence, including the decline of the traditional family, the rise of social issues, and the changing demographics of the American electorate. Pasquale De Marco also examines the impact that the Right has had on American society and politics. He argues that the Right has been able to enact policies that favor the wealthy and powerful while cutting taxes and social programs for the poor and middle class. This has led to a widening wealth gap and a decline in social mobility. Pasquale De Marco also argues that the Right has been able to stack the courts with conservative judges who have overturned *Roe v. Wade* and other landmark decisions. This has led to a rollback of civil rights and liberties and a rise in discrimination against women, minorities, and LGBTQ people. *The Surge of the Right* is a timely and insightful analysis of the resurgence of the Right in American politics. Pasquale De Marco provides a comprehensive overview of the factors that have contributed to the Right's resurgence, the impact it has had on American society and politics, and the challenges it faces in the 21st century. This book is essential reading for anyone who wants to understand the current political landscape in America. If you like this book, write a review.

**Postwar American Fiction**

**and the Rise of Modern Conservatism** Bryan M. Santin, 2021-03-11 Bryan M Santin examines over a half century of intersection between American fiction and postwar conservatism He traces the shifting racial politics of movement conservatism to argue that contemporary perceptions of literary form and aesthetic value are intrinsically connected to the rise of the American Right Instead of casting postwar conservatives as cynical hustlers or ideological fanatics Santin shows how the long term rhetorical shift in conservative notions of literary value and prestige reveal an aesthetic antinomy between high culture and low culture This shift he argues registered and mediated the deeper foundational antinomy structuring postwar conservatism itself the stable social order of traditionalism and the creative destruction of free market capitalism Postwar conservatives produced in effect an ambivalent double register in the discourse of conservative literary taste that sought to celebrate neo aristocratic manifestations of cultural capital while condemning newer more progressive manifestations revolving around racial and ethnic diversity

**An Ideological Analysis of Breastfeeding in Contemporary America** Loreen N. Olson, Jenni M. Simon, 2019-12-19 An Ideological Analysis of Breastfeeding in Contemporary America Disciplining the Maternal Body analyzes the discourses involved in the pro breastfeeding breast is best paradigm highlighting how such politically charged rhetoric restrains women s ability to make the choices that are best for them and their families Loreen Olson and Jenni M Simon combat the idea that is so often espoused by medical professionals researchers and society at large to be a good parent one must provide breast milk to the infant in order for the baby to grow into a healthy productive citizen By exposing the biases present Olson and Simon advocate for the need to make discursive space for all parents and all feeding choices Scholars of communication rhetoric gender and women s studies and feminism will find this book particularly useful

**The Rise of Post-Modern Conservatism** Matthew McManus, 2019-08-29 This book is designed as a timely analysis of the rise of post modern conservatism in many Western countries across the globe It provides a theoretical overview of post modernism why post modern conservatism emerged what distinguishes it from other variants of conservatism and differing political doctrines and how post modern conservatism governs in practice First developing a unique genealogy of conservative thought arguing that the historicist and irrationalist strains of conservatism were ripe for mutation into post modern form under the right social and cultural conditions then providing a new unique theoretical framework to describe the conditions for the emergence of post modern conservatism The Rise of Post modern Conservatism applies its theoretical framework to a concrete analysis of the politics of the day Ultimately it aims to help us understand the emergence and rise of identity oriented alt right movements and their populist spokesmen particularly in the United States the United Kingdom Hungary Poland and now Italy

**Jerry Falwell and the Rise of the Religious Right** Matthew Avery Sutton, 2018-12-27 As one of the most media savvy ministers in U S history Jerry Falwell figured prominently in the political mobilization of religious conservatives in the 1970s and early 1980s Falwell s life and work touched on almost all of the major issues of the time period the cold war changing gender roles civil rights the

revitalization of American conservatism and the Reagan revolution In his introductory essay Matthew Avery Sutton traces Falwell's politicization and rise to celebrity status using Falwell as a lens through which to view the larger movement More than two dozen primary documents focus on the Religious Right's emergence in the 1970s as a powerful political force and present students with first hand accounts of the era's culture wars The thematically arranged documents including sermons letters speeches interviews court documents and children's books provide an up close look at the motivations and aspirations of the Religious Right Photographs document headnotes a chronology questions for consideration and a selected bibliography provide additional pedagogical support

**New York State and the Rise of Modern Conservatism** Timothy J. Sullivan, 2008-12-01 From the early 1960s until 1980 New York's Conservative and Republican Parties battled on the editorial page at the ballot box and in the courts over the ideology of the GOP New York State and the Rise of Modern Conservatism recounts the story of how New York reputedly the most liberal of all states played a critical role in conservatism's political ascendancy and in the redrawing according to ideology of the country's party lines Examining the colorful personalities central to the transformation including Governor Nelson Rockefeller William F Buckley Jr John Lindsay Roy Cohn Jackie Robinson Clare Booth Luce G Gordon Liddy and William Casey author Timothy J Sullivan recounts the details of the party's battle a battle that ultimately forced the state's liberal Republicans to choose between their party and their ideology resulting in a reliably conservative national GOP prepared to nominate Ronald Reagan

American Conservative Augustus P. Lowell, 2016 Carson Christie Rubio Cruz Trump This is the best we can do This is what passes for conservatism these days When did that once honorable political tradition become so narrow boorish and ignorant It's time to take the conversation back Conservatism can be intelligent and thoughtful There is an alternative to the excesses of liberalism that doesn't require us to turn the clock back a century that isn't tied to religion that embraces a responsibility for society and culture that isn't terrified of change and that speaks to the commonalities we share instead of dividing us into tribes Conservatives and liberals could work together if they would take an honest look both at each others beliefs and at their own In the 2016 Presidential primary season half the Republican candidates were clowns and the rest were if not actually clowns giving every appearance of bowing to the ringmaster and piling into the clown car They called themselves conservative but their understanding of what that means seemed shallow and opportunistic Theirs was a parody of conservatism that mocked the real thing Yet it seems most people take them at their word and grant them the authority they assert for themselves not merely that they are conservative but that their brand of conservatism is the entirety of conservatism not merely that they are conservative but that they speak for all conservatives It is infuriating And it is wrong There are many books about politics but most of them contain either dryly academic pedantry or overtly partisan persuasion This book is neither It is a polemic of a sort but the intent is not to persuade people to vote conservative or that conservatism is completely right It is to persuade people that conservatism has something worthwhile to say to them that conservatism is not what its most abhorrent

spokesmen claim it to be The intent is to change the conversation If that changes the outcome so much the better *The Rise and Fall of Modern American Conservatism* David Farber,2012-08-26 The story of modern conservatism through the lives of six leading figures The Rise and Fall of Modern American Conservatism tells the gripping story of perhaps the most significant political force of our time through the lives and careers of six leading figures at the heart of the movement David Farber traces the history of modern conservatism from its revolt against New Deal liberalism to its breathtaking resurgence under Ronald Reagan to its spectacular defeat with the election of Barack Obama Farber paints vivid portraits of Robert Taft William F Buckley Jr Barry Goldwater Phyllis Schlafly Ronald Reagan and George W Bush He shows how these outspoken charismatic and frequently controversial conservative leaders were united by a shared insistence on the primacy of social order national security and economic liberty Farber demonstrates how they built a versatile movement capable of gaining and holding power from Taft s opposition to the New Deal to Buckley s founding of the National Review as the intellectual standard bearer of modern conservatism from Goldwater s crusade against leftist politics and his failed 1964 bid for the presidency to Schlafly s rejection of feminism in favor of traditional gender roles and family values and from Reagan s city upon a hill to conservatism s downfall with Bush s ambitious presidency The Rise and Fall of Modern American Conservatism provides rare insight into how conservatives captured the American political imagination by claiming moral superiority downplaying economic inequality relishing bellicosity and embracing nationalism This concise and accessible history reveals how these conservative leaders discovered a winning formula that enabled them to forge a powerful and formidable political majority Some images inside the book are unavailable due to digital copyright restrictions **Liberalism Versus**

**Conservatism** François B. Gérard,2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author **The Conservative Resurgence and the Press** James Brian McPherson,2008-07-09 Consumers of American media find themselves in a news world that has shifted toward more conservative reporting This book takes a measured historical view of the shift addressing factors that include the greater skill with which conservatives have used the media the media s gradual trend toward conservatism the role of religion and the effects of media conglomeration The book makes the case that the media have managed to not only enable today s conservative resurgence but also ignore largely the consequences of that change for the American people Organized Resistance: The Rise of Conservative Ideologies

Pasquale De Marco,2025-05-14 *Organized Resistance The Rise of Conservative Ideologies* is a comprehensive examination of the rise of conservatism in America It traces the origins evolution and impact of conservative ideology on various aspects of American life including social justice education environmental protections healthcare and labor rights The book sheds light on the strategies and tactics employed by conservative think tanks foundations and media outlets to advance their agenda It exposes the insidious ways in which conservative forces have sought to undermine the rights of minorities women and the poor The book also examines the conservative reshaping of the courts which has resulted in the erosion of privacy rights voting rights and reproductive rights Beyond its critique of conservative policies *Organized Resistance The Rise of Conservative Ideologies* offers a roadmap for resistance It highlights the rise of progressive movements the power of grassroots organizing and the importance of electoral politics in countering the conservative agenda The book emphasizes the crucial role of education and media literacy in empowering citizens to make informed decisions and hold their leaders accountable In an era marked by political polarization and division *Organized Resistance The Rise of Conservative Ideologies* provides a timely and essential analysis of the conservative movement It is a call to action for all who believe in a more just and equitable society By understanding the forces that have shaped the conservative ascendancy we can better equip ourselves to challenge their agenda and work towards a more progressive future for America *Organized Resistance The Rise of Conservative Ideologies* is a must read for anyone interested in American politics social movements or the future of democracy Its incisive analysis and clear prose make it an invaluable resource for scholars activists and concerned citizens alike If you like this book write a review on google books [Summary of Heather Cox Richardson's How the South Won the Civil War](#)

Milkyway Media,2024-02-14 Get the Summary of Heather Cox Richardson s *How the South Won the Civil War* in 20 minutes Please note This is a summary not the original book *How the South Won the Civil War* by Heather Cox Richardson offers a comprehensive examination of American democracy s evolution highlighting the enduring influence of oligarchic values from the Civil War through the mid 20th century The narrative begins with the depiction of Western individualism and transitions into an analysis of the transformative impact of the New Deal which aimed to create a more equitable society through government intervention [The Brief and Turbulent Life of Modernising Conservatism](#)

Stuart Mitchell,2008-12-18 *The Brief and Turbulent Life of Modernising Conservatism* is an examination of government tensions and frustrations during a time of economic and social flux It concentrates on the development of domestic industrial policy in the Conservative Party between 1945 and 1964 with particular emphasis on Harold Macmillan s and Sir Alec Douglas Home s administrations Between the general elections of 1959 and 1964 the Conservative Government effected a series of striking and dangerously controversial policy transformations in response to its recognition of Britain s relative economic decline These adjustments were both practical and strategic The administration s aim was extraordinarily ambitious It sought to fashion a recognisably modern and dynamic yet socially stable nation that could retain its place in the international lite Thereby the Party hoped to

ensure its own continuation in power The author considers policy innovations that included an ill starred attempt to join the European Community the development of macro economic planning and the abolition of resale price maintenance an exploit which roused the Tory Party to unusual heights of passion The book does not simply regurgitate an orthodox high political narrative Instead it investigates topics of interest to modern historians and political scientists alike It will be of value to anyone interested in questions of modern political ideology social and economic change the nature of popular political support or the constraints on state power in the post war world      Needed System Supports for Achieving Higher Education Equity for Black Americans United States. National Advisory Committee on Black Higher Education and Black Colleges and Universities,1981      *Christianity: A Brief History* Michael D. Robinson,2019-06-14 Christianity is one of the world s great religions with more than two thousand years of history and over two billion adherents worldwide But what is Christianity Where did it come from How did it develop to its current forms What doctrines do Christians affirm What ethical norms do they endorse What relationships between church and state do they champion and why What changes have transpired for the faith over the centuries And what new challenges does Christianity face in the contemporary world These and other questions are addressed in Michael Robinson s *Christianity A Brief History* After a concise description of the social political and religious world of first century Palestine the text quickly examines the Jesus of history and tradition including Jesus impact upon his first century followers the narrative then moves to describe the expansions and developments of Christianity through the ancient medieval modern and contemporary eras Along the way readers learn of the varied beliefs mores rituals struggles and triumphs of the faith as well as of the spiritual heights and moral blunders of its people Robinson s intention is to introduce Christianity through its story and through those who lived it      *A Dictionary of Conservative and Libertarian Thought (Routledge Revivals)* Nigel Ashford,Stephen Davies,2012-06-25 First published in 1991 this is a reissue of the path breaking *Dictionary of Conservative and Libertarian Thought* the first book to examine the ideals and arguments produced by the intellectual traditions of both conservatism and classical liberalism Covering the ideas of many such distinguished thinkers as Hayek Scruton Friedman and Buchanan the volume provides a valuable survey of the historical development of both schools of thought in all of the major western countries and their contributions to contemporary debates From American Conservatism to French Liberalism Invisible Hand to Organic Society from Scientism to Scepticism and Utopianism to Voluntarism this is a vital work whose reissue will be welcomed as much by the keen layperson as by students of political science the history of philosophy economics and public policy      *Rise of Baptist Republicanism* Oran P. Smith,2000-05 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision      *A Comparative Analysis of Systems of Education Law* Charles J.

Russo, Leijun Ma, 2024-05-08 This book focuses on enhanced educator awareness of issues involving the status of the right to education as guaranteed by various legal systems throughout the world in light of the growing interest in comparative and international studies including the law. Consequently, this interdisciplinary comparative book, which includes original chapters by leading academicians with expertise in law and education, is designed to serve as a resource for researchers in education and law as well as policymakers and students. To this end, the book provides readers with an enhanced awareness of the nature of legal systems impacting education throughout the world. Education is the driving force of the world's development as well as the basic way to realize human rights and values. At the same time, law plays an important role in the protection, evaluation, guidance, and promotion in the process of the development of education. The book thus has interdisciplinary appeal. Various audiences will find this highly accessible book informative and valuable, including scholars with an interest in Education Law, university faculty and classes, whether involved in teacher preparation or educational leadership, legal practitioners, and university libraries.

The book delves into Resurgence Of Conservatism Summary. Resurgence Of Conservatism Summary is an essential topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Resurgence Of Conservatism Summary, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
  - Chapter 1: Introduction to Resurgence Of Conservatism Summary
  - Chapter 2: Essential Elements of Resurgence Of Conservatism Summary
  - Chapter 3: Resurgence Of Conservatism Summary in Everyday Life
  - Chapter 4: Resurgence Of Conservatism Summary in Specific Contexts
  - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Resurgence Of Conservatism Summary. This chapter will explore what Resurgence Of Conservatism Summary is, why Resurgence Of Conservatism Summary is vital, and how to effectively learn about Resurgence Of Conservatism Summary.
3. In chapter 2, this book will delve into the foundational concepts of Resurgence Of Conservatism Summary. This chapter will elucidate the essential principles that must be understood to grasp Resurgence Of Conservatism Summary in its entirety.
4. In chapter 3, this book will examine the practical applications of Resurgence Of Conservatism Summary in daily life. The third chapter will showcase real-world examples of how Resurgence Of Conservatism Summary can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Resurgence Of Conservatism Summary in specific contexts. This chapter will explore how Resurgence Of Conservatism Summary is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Resurgence Of Conservatism Summary. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Resurgence Of Conservatism Summary.

### **Resurgence Of Conservatism Summary Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Resurgence Of Conservatism Summary has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Resurgence Of Conservatism Summary has opened up a world of possibilities. Downloading Resurgence Of Conservatism Summary provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly

convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Resurgence Of Conservatism Summary has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Resurgence Of Conservatism Summary. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Resurgence Of Conservatism Summary. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Resurgence Of Conservatism Summary, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Resurgence Of Conservatism Summary has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Resurgence Of Conservatism Summary Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read

eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Resurgence Of Conservatism Summary is one of the best book in our library for free trial. We provide copy of Resurgence Of Conservatism Summary in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Resurgence Of Conservatism Summary. Where to download Resurgence Of Conservatism Summary online for free? Are you looking for Resurgence Of Conservatism Summary PDF? This is definitely going to save you time and cash in something you should think about.
