Retaliation The Assassins Book English Edition:

Le droit des gens Emer de Vattel,1916 **The Secret Fidel Castro** Servando Gonzalez,2001 The Secret Fidel Castro is neither a history of the Cuban revolution nor a biography of Fidel Castro The book was written following what intelligence services call a CPP short for Comprehensive Personality Profile similar to the ones intelligence services keep on foreign leaders It focuses on different aspects of Castro s actions and personality which for some reasons have been either ignored misunderstood or misrepresented The main thesis of this book is that there are many different Castros The most widely known is the symbolic public one as it has been portrayed in official Cuban propaganda Castro friendly biographies and mainstream American media But there are also many secret Castros highly different from the public one The Secret Fidel Castro focuses on little known aspects of Castro s personality important in the better understanding of the man and his actions what really makes him tick **On This Foundation (The Restoration Chronicles Book #3)** Lynn

Austin,2015-09-29 The Powerful Concluding Novel to The Restoration Chronicles When news that the wall of Jerusalem is broken down and its gates have been burned with fire Nehemiah Jewish cupbearer to King Artaxerxes in Persia seeks God s guidance After fasting and prayer he s given leave to travel to Jerusalem and rebuild the city wall not anticipating all the dangers that await him on his arrival The leaders of the surrounding nations become his fierce enemies plotting to assassinate him and halt the work A drought meanwhile has left the country impoverished many families resorting to selling their children as bondservants just to keep from starving Capturing the rebuilding of the wall through the eyes of a number of characters On This Foundation is a powerful exploration of faith in the midst of oppression and hope that in spite of appearances the gracious hand of God is upon those who believe **The Kennedy Assassinations** Mel Ayton,2022-07-19

Few events have been the subject of more conspiracy theories than the assassinations of the two Kennedy brothers Indeed a great many people consider that there were other individuals than Lee Harvey Oswald and Sirhan Sirhan involved in both murders Was a shot fired from Dealey Plaza s grassy knoll Why did Jack Ruby shoot Oswald Was it the CIA the Soviets Cuban nationalists or the Mafia that arranged John Kennedy s assassination Was Robert Kennedy shot from in front and behind and who had the most to gain from his death These are just a few of the questions that have been put forward by a myriad of conspiracy theorists and it is those people and their ideas that Mel Ayton has tackled head on Over many years Mel Ayton has examined all the more substantial conspiracy theories and through careful analysis of documents and eyewitness statements he has demolished each one In each case Mel Ayton presented the results of his detailed investigations in periodicals as he worked through the various theories These have now been brought together to provide a comprehensive analysis of all the main theories as to who how and why the two Kennedy brothers met their deaths in such unusual circumstances Though wild ideas will continue to be proposed and efforts will still be made to demonstrate that Oswald could not have fired off three shots with great accuracy in the few seconds available to him as the presidential cavalcade passed beneath the window

where he crouched or that there were sinister reasons why three CIA men were allegedly present on the night of Robert Kennedy's assassination the harsh reality is that the Kennedy brothers were each killed by lone gunmen This is an absorbing read brought up to date with the addition of new material as it has been uncovered Maybe just maybe this book will persuade people that the official accounts of both murders although flawed are not cover ups but simply statements of fact

her hedonistic twin sister accompany him on apparently straightforward operation in Bali which unexpected uncovers a global conspiracy to facilitate and benefit from environmental degradation With the help of the sisters Peter finds that this threat has links to the very highest level of his own organisation with a trail leading to the Seychelles and a meeting of the upper echelons of a cabal with the power to influence the tipping points that control socioeconomic change As his employer is compromised Peter solicits the support of a local intelligence agency for the key job of hacking a database in Switzerland which will provide the only possible way of stopping this nefarious plan With the help of his sister in law the Swiss coordinate a response to the threat at UN level freeing Peter to take over the job of assassinating all of the remaining key conspirators The question is can this be done without actually catalysing a pre programmed apocalypse *The Assassin's Wife* Thomas Williamson,2023-08-10 *The Assassin s Wife* This is the true story of the events that occurred before and during the day America s president John F Kennedy was murdered but it s only the beginning of the story This is the until now untold true story about the events that followed the assassination It s the never before revealed story a still unfolding story of betrayal revenge assassination and as some might say treason All revealed by those who actually know why it happened by those who know the truth and by those who know the actual identities the never before revealed identities of many of those involved
