Managing Diversity -- The Courage to Lead Elsie Y. Cross, 2000-04-30 White women and people of color now constitute the majority of the U S workforce yet ninety seven percent of senior managers of Fortune 500 and Fortune 1 000 industrial companies remain white men It s clear that leaders of American organizations are required to

play key roles in a world that has become strange to them says Cross To succeed in an increasingly competitive global environment our organizational leaders must have the courage to act outside their comfort zones to try to understand interact with motivate develop and retain a work force that is alien to them Cross book provides the practical assistance they need Because racism sexism and other forms of oppression are not rational help cannot be found wholly in rationalism Such biases arise from emotional and psychological bases Our leaders are thus forced to confront their barriers within barriers that exist at every level of their organization Cross uses her own experiences as an African American woman and as an experienced and recognized management consultant to demonstrate how oppression functions at the individual group and systems levels but her book is not a memoir Rather it is a sophisticated explication of a complex and complete system of organizational change with case studies and other useful aids which if fully grasped will enable courageous leaders to succeed in understanding and dealing effectively with the urgent crosscultural and gender issues in the workplace
