

A Teacher's Farewell

*For years you've shaped the minds and hearts,
With wisdom, patience, care,
Now comes a time to rest, depart,
A new path waits somewhere.
The lessons taught, the lives you've touched,
A legacy so bright,
In each young soul you've gently nudged,
A future filled with light.
Now may your days be filled with peace,
With joy in all you do,
Retirement's gift, a sweet release,
And time to just be you.*

*Thank you for all the incredible years
of dedication and inspiration*

Retirement Poem For Pe Teacher:

Thy Will Be Done and Emotions in Poetry Hannah McCarty, 2005-07-22 *Thy Will Be Done* is a lesson Hannah had to learn after her mother's death in September 1969. She couldn't accept her mother's death and lost her faith in God. I know I had a struggle with God but he wouldn't let me go. I had to learn that as I was praying I was saying to God to Let Thy Will Be Done but what I really wanted was for my will to be done. My prayers were answered but the answer was no. This was something I had to learn and my struggle with God taught me a lesson that I will never forget. As Hannah learned to accept God's will so evolved her talent for writing poetry and so was created *Emotions in Poetry* Journal of the National Education Association, 1924 **Minnesota Journal of Education ...**, 1928 **The Journal of the National Education Association** National Education Association of the United States, 1923 **Pennsylvania School Journal**, 1923 *The Detroit Educational Bulletin* Detroit (Mich.). Mangan, Colm Hickey, 2018-10-24 Now unknown or forgotten influential schoolmasters took the game of association football to many parts of England. They had several roles they brought the game to individual schools they established regional and national leagues and associations and they founded professional football clubs. They also exported the game around the world working as moral missionaries passionate players and energetic entrepreneurs. The role of teachers in association football is a much neglected aspect of English cultural history. It is a story that deserves to be told because it allows a fundamental reappraisal of the status and position of these teachers in late nineteenth century and early twentieth century society.
