

A Teacher's Retirement Blessing

By Barbara D. MacAdam

You started on this journey, so many years ago, and now it's time to leave behind dear friends you've come to know!

It seems to me that this was more than just a job to you. The passion & the love you have for teaching shines right through.

You taught that there is more to life than being at the top. It's in how you choose to get there, that the blessings never stop.

You encouraged them to do their best & never mind their peers, to choose the straight and narrow, and to overcome their fears.

I've often thought how powerful your influence must be. You turned each student's world of dreams into possibilities!

Now I pray God keeps you safe and well, wherever you may turn, surrounded by your loved-ones, living out the dreams you've earned.

Barbara D. MacAdam

So never waste time wishing that you could have done much more... time to watch those seeds you planted grow and trust God for what's in store!

World's Best Teacher!

Retirement Poems For Guidance Counselors:

The Bliss of Your Attention David Borofka, 2025-01-21 A powerful story collection that celebrates those who strive and fail and strive again If Joseph Campbell's dictum follow your bliss has become inspiration and goad accusation and cliché then the characters in David Borofka's *The Bliss of Your Attention* are all the more puzzled by what their futures portend Their bliss is never clear nor independent of others for the characters in these stories are ever in search of connection understanding and validation even if the latter unlike reality and cynicism is in short supply As the narrator of *Live with It* tells her would be novelist husband Learn to live with your disappointments I mean she thinks I could give him the party line you know follow your bliss etc etc but that's where the disappointments come from don't they I mean that's where bliss leads if you're no good at the thing that you think makes you happy Borofka whose collection *A Longing for Impossible Things* was selected by the American Book Fest as the 2021 winner of the American Fiction Award for the Short Story masterfully charts the spectrum of human emotion and the difficulty of connection in these pages Hapless and bumbling though they may be the characters in *The Bliss of Your Attention* continue to move forward despite all evidence to the contrary As novelist Peter Manseau noted The comedy of seeking is rarely so sympathetically portrayed as in Borofka's hands he captures perfectly the poignancy of doleful mortals dreaming and scheming to reach the divine

Military Order of World Wars, 1996-06-15 In this ambitious study of the intense and often adversarial relationship between English and American literature in the nineteenth century Robert Weisbuch portrays the rise of American literary nationalism as a self-conscious effort to resist and finally to transcend the contemporary British influence Describing the transatlantic double cross of literary influence Weisbuch documents both the American desire to create a literature distinctly different from English models and the English insistence that any such attempt could only fail The American response as he demonstrates was to make strengths out of national disadvantages by rethinking history time and traditional concepts of the self and by reinterpreting and ridiculing major British texts in mocking allusions and scornful parodies Weisbuch approaches a precise characterization of this double cross by focusing on paired sets of English and American texts Investigations of the causes motives and literary results of the struggle alternate with detailed analyses of several test cases Weisbuch considers Melville's challenge to Dickens Thoreau's response to Coleridge and Wordsworth Hawthorne's adaptation of Keats and influence on Eliot Whitman's competition with Arnold and Poe's reshaping of Shelley Adding a new dimension to the exploration of an emerging aesthetic consciousness *Atlantic Double Cross* provides important insights into the creation of the American literary canon
