

OPENING PRAYER FOR ONLINE MEETING

“Dear Lord,

We kneel before You this hour with thanksgiving for bringing us together in love and safety. Sometimes, we hurriedly start our meetings without recognizing Your greatness. Please forgive us.

Today, we ask You to be with us throughout this meeting and lead our thoughts to Your glory. May every conversation in this online meeting be inspired by Your Holy Spirit. Please strengthen us as a group in Jesus' name.

Amen”

Meeting Jesus at University Edward Dutton,2008 How does university turn students into who they become Why are student evangelicals such a significant and controversial force at so many universities In many countries university has become the main Rite of Passage between the child and adult worlds University can be enjoyable and fascinating but also life changing and traumatic And at the exact time when a student s identity is the most challenged and uncertain student evangelical groups are highly organised on many university campuses to offer students a powerful identity so that the world makes sense once again For some these groups will protect them from the university s assault on their faith For others they will challenge and even change who they are Meeting Jesus at University explores universities in six countries Drawing upon detailed fieldwork it examines the largest student evangelical group at each university in order to understand in depth the relationship between the student evangelical group and the university which it aims to convert Meeting Jesus at University offers an original contribution to the discussion of Rites of

Passage examining what is experienced at university and how university breaks down and remoulds young people It explores why student evangelicals are so active particularly at Britain and America s most prestigious and identity challenging institutions meaning that students at these places are the most likely to find themselves meeting Jesus at university
