

A Thank You Letter To My High School Coach

Thank you for everything you have done.

As student athletes, coaches make up a pretty big part of our careers. Not only do our coaches teach us about our sport, but life lessons like leadership, teamwork, accountability, and punctuality. These lessons stay with us for life, even after our time in the sport is over.

In my high school career I was lucky to have many great coaches. When I got to college and was no longer playing a sport I realized how much of an impact they had on me. I also realized I never thanked them properly for everything they had done for me, so Coach this is for you.

Thank you for pushing me to be the best person I could be. Not only did you want me to succeed on the field, but in life as well. There were countless times when I just wasn't giving it everything I had. You recognized that and pushed me to give it my all. If it was a sprint or a shooting drill you always encouraged me to put everything I had into it. This is a lesson I will carry with me forever. It's helped me in the classroom and in everyday life. I now know not to settle and not to slack off, no matter what the task is.

Thank you for believing in me even when I didn't. There were so many days that I wanted to quit and give up, but you didn't let me. I'm not sure what would have happened if you let me walk away from the sport when I felt like I couldn't do it anymore. Your encouragement and support meant so much to me then and even more to me now.

Thank you for teaching me more about than just the sport. You taught me how to be a leader, how to be organized, and to be on time. Not only did these lessons help me in the season, but have effected my life. These qualities are all things that I pride myself on and I trace my learning back to the sport.
