February 2012

Dear Colleague,

Congratulations! You've made the big decision to retire. That's terrific! You are about to enter a world where you get paid to get up late, where you are able to visit Disneyland when there are no lines and when every school day is a snow day and most importantly where the stress level is greatly reduced.

Are there any obstacles in your way? Not really, there are some dates that have to be met, and some forms that must be filled out. But, the steps to retire are easy, few and are outlined below.

However, before we get into the actual procedures, let me make a suggestion. PLEASE sign up for an interview with a NYSTRS representative. You can have an interview in one of several ways. In my opinion, the best way is to sign up for a retirement workshop, called a Pension & Retirement Education Program (PREP), held by the New York State Teachers' Retirement System. Going to one of these day-long workshops is very informative and helpful. They cover such topics as the differences between Tiers 1, 2, 3, 4 & 5, explanations of retirement options, how to make the transition to retirement and how to invest and preserve your savings. You may use a personal day to attend a retirement workshop or sign up for one scheduled on a weekend. Your spouse/significant other should have a full understanding of how your retirement benefits will affect them and have a chance to ask their own questions, so take them along, they are more than welcome. Make a day of it. During the noon break, take your companion out to lunch and perhaps when the meeting is over, dinner too so you can talk about what you've just learned. For dates,
