*"Wake Up, Mr. West"* Joshua K. Wright, 2022-01-27 Black celebrities in America have always walked a precarious line between their perceived status as spokespersons for their race and their own individual success and between being not black enough for the black community or too black to appeal to a broader audience Few know this tightrope walk better than Kanye West who transformed hip hop pop and gospel music redefined fashion married the world s biggest reality TV star and ran for president all while becoming one of only a handful of black billionaires worldwide Despite these accomplishments his polarizing behavior controversial alliances and bouts with mental illness have made him a caricature in the media and a disappointment among much of his fanbase This book examines West s story and what it reveals about black celebrity and identity and the American dream

*Assessing Academic Literacy in a Multilingual Society* Albert Weideman, John Read, Theo du Plessis, 2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience
