Co więcej przyczyniają się oni nie tylko do sukcesu sportowego i finansowego zawodników, ale także do sukcesu wizerunkowego sportowców. W ten sposób udowadniamy historię naszego niemieckiego skoczka narciarskiego. Tym samym ta człona monografii odbiega od zwykłej przyjmowanej perspektywy badawczej skupiającej się przede wszystkim na wpływie sponsoringu na wizerunek firmy sponsorującej. Natomiast dodatkowo prezentujemy w niej wpływ na rozwój sportu odmiennej kategorii instytucji finansujących sport jednostek samorządu terytorialnego na przykładzie miasta Krakowa. Ostatnia człona pracy po prostu jest rolą związków w sportowych w rozwoju sportu. **Holding Together** John Shattuck, Sushma Raman, Mathias Risse, 2022-05-31 A bold new assessment of the multipronged attack on rights in the United States and how to push back. An overwhelming majority of Americans agree that rights are essential to their freedom and that rights today are severely threatened. The promise of rights has been reimaged at pivotal moments in American history from the American Revolution to the Civil War to the Civil Rights Movement. Can today become another time of transformation? Holding Together is about the promise of rights as a source of American identity, the struggle to realize rights by countless Americans to whom the promise has been denied or not fulfilled, the hijacking of rights by politicians who seek power by dividing and polarizing, and the way forward in which rights can bring Americans together instead of tearing them apart. Drawing on a series of town hall meetings with representative groups of citizens across the country, discussing their concerns over rights, new national opinion polls from all demographic groups and political perspectives conducted in 2020 and 2021, and extensive research, Holding Together is a road map for an American rights revival. John Shattuck, Sushma Raman, and Mathias Risse present a comprehensive account of the current state of rights in the United States and concrete recommendations to policy makers and citizens on how to reclaim them.
