The Promise Land Chris Oyakhilome PhD., 1997-01-09. This book is a classic exposition of the Christian life. It provides Bible-based answers to a lot of questions and provides explanations needed to live a constantly victorious life. Joshua brought the children of Israel into a land flowing with milk and honey yet the Bible says they did not enter the rest of God. Public Righteousness Abimbola A. Adelokun, 2023-05-25. Public Righteousness: The Performative Ethics of Human Flourishing is driven by the idea that part of what manifests as a disorderly display of virtue in public culture is underlined by the desire to see a more righteous society and an expression of the will to enact such an ideal world into reality. This book re-structures the ferment of such public displays and fashions an ethic that overturns the ostentatious signals of self-righteousness and the fierce contest of animating visions. This book engages the work of social ethicist Nimi Wariboko to explore an idea of public righteousness. In place of smug superiority and phony pieties, the performative ethics that inaugurate this public righteousness offer an intellectual and moral competence that establishes rectitude and culminates in human flourishing.
