The Life of St. Catherine of Siena Bl. Raymond of Capua, 2009 This is the classic life of St Catherine by her spiritual director He tells of her only what he experienced firsthand or of what he learned firsthand from her mother her sisters her family members and friends An incredible life told simply and straightforwardly without embellishment and without dodging her many miracles and miraculous conversions This book puts you squarely in the presence of one of Holy Mother Church's greatest saints **The Collected Works** Saint Rafael Arnaiz, 2022-05-14 Saint Rafael Arnaiz was born in Burgos Spain on April 9 1911 When he was twenty one years old he left behind the comforts of his wealthy family and an unfinished degree in architecture to join the Trappist Cistercian abbey of San Isidro de Due as A sudden onset of diabetes and the beginning of the Spanish Civil War 1936 1939 turned his monastic journey into an unusual one In these unfavorable circumstances and despite the shortness of his life he died soon after his twenty seventh birthday Rafael developed a solid spirituality which in its simplicity is a straight path to holiness He has been compared to mystics like Teresa of vila and John of the Cross whose writings inspired him and his theology of the cross born from his prayer places him in continuity with the best of the monastic tradition In his letters and journals compiled in this volume his heart speaks of the joys and struggles of striving to

Many biblical terms have a consistent symbolic significance from Genesis to Revelation eg nudity light and darkness virgins harlots Nudity occurs in three of the most significant events in the whole Bible and in every case it is best understood symbolically This book demonstrates that symbolism is so powerful it can for example change the status of Isaiah's virgin birth prophecy from an absurdity to an astonishing fulfilment of prophecy Harlots described in the book as God's warning lights also figure very prominently in the biblical coverage of both Jews and Christians Another key theme is to show that the raw seed concepts of the Hebrew Bible evolve so neatly into the Christian New Testament viewpoint over a 1000 years that readers may conclude uninspired biblical script writers could not have organized it Here are some quotes from the book that introduce intriguing and or provocative new trains of thought 1 If you think linking sex with religious experience is a bit rich then you need to do some more Bible study 2 Indulgence in adultery is the most obvious of the sins proscribed in the Ten Commandments that could trace directly to hormonal influences 3 Should we be joining Haters Anonymous Schadenfreude Anonymous or Egotists Anonymous in order to qualify for a better land and to actually enjoy it 4 Some of our excretory functions are less than ideal for a brand new earth the creator team could have done better by us if they wanted to 5 It is tacitly assumed God did not conduct experiments in His creation efforts No need to He knows the end from the beginning But Other challenging insights emerge in connection with Lot's use of his daughters as sex sops the possible symbolic significance of the Mosaic decree to cut off a lady's hand if she squeezed testicles the massaging of data in St Matthew's genealogies a religious uncertainty principle and the reason God doesn't do something to stop the frightful things happening in the world This is not a book built on hype and emotion It makes extensive use of scholarly sources but has a light hearted journalistic approach and is easy to read In exploring the spiritual import of sexual issues in nature and revelation it offers fresh perspectives on the bitter creation evolution debate the gross and genocidal behavior of the chosen people the currently unacceptable biblical restrictions on human sexual behavior and the decidedly low key role of women in organized religion Innovative succinct engaging thought provoking and sometimes shocking *The Saint Alphonsus de Liguori Collection [30 Books]* Saint Alphonsus de Liguori, Catholic Way Publishing, THE SAINT ALPHONSUS DE LIGUORI COLLECTION 30 BOOKS CATHOLIC WAY PUBLISHING 25 Books in One E Book The Complete Ascetical Works and More Over 3.5 Million Words 18 824 Active Linked Endnotes Includes an Active Index and 25 Table of Contents for Each Book Includes Illustrations by Gustave Dore Saint Alphonsus Maria de Liguori C Ss R 27 September 1696 1 August 1787 was an Italian Catholic bishop spiritual writer composer musician artist poet lawyer scholastic philosopher and theologian He founded the Congregation of the Most Holy Redeemer the Redemptorists In 1762 he was appointed Bishop of Sant Agata dei
