Paul And Phillipian Jailer Craft:

Bible Stories & Crafts: New Testament Mary Tucker, 2007-01-10 Bible stories from the Old and New Testaments are presented in creative ways to help children understand God's work and His presence in their everyday lives. Each story is accompanied by discussion questions, a memory verse, and a fun craft activity. *Memory Maker Bible Crafts* David C Cook Publishing Company, 2008-06 Bible FUNstuff resource book with 26 crafts that correlates to BIL curriculum Sept 08 through June 09. Paul's Letter to the Philippians in the Light of Disunity in the Church Davorin Peterlin, 2014-04-09 This volume discusses the development of disunity in the Philippian church as the occasion for Paul's response in his letter. The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul. It demonstrates the pervasiveness of the theme of disunity in most sections of the letter. The second part correlates these findings with sections of the letter dealing with the Philippians' financial support for Paul. It treats such topics as Paul's attitude to money and the sociological composition of the church. The book's aim is to draw attention to social and non-theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians.

Exhaling the Gospel of Jesus Christ Dan Allen, 2014-09-30 A book to help Christians create a culture of evangelism as they are instructed and challenged to share their faith with the divine appointments of family, friends, co-workers, neighbors, and others. **Greed and the Dark Powers in Luke-Acts** Michael Blythe, 2025-07-14 Greed and the Dark Powers in Luke Acts invites readers into a fascinating exploration of how greed functions as a spiritual weapon wielded by oppressive powers. Blythe reveals how greed is not merely a personal sin but a force of systemic exploitation and spiritual corruption. Through vivid episodes, the book uncovers a cosmic struggle between the forces of good and evil, generosity and greed, liberation and oppression. Blythe's compelling analysis calls contemporary readers and communities of faith to resist greed's seductive powers by embodying economic justice and generosity while confronting oppressive systems. Insightful, timely, and provocative, this study equips readers to recognize and resist the spiritual dynamics of greed, empowering the church to confront darkness and embody Christ's victory to the ends of the earth. **The Reference Passage Bible New Testament**

, 1902 **Evangelism in a Skeptical World** Sam Chan, 2018-03-13 Many of the old methods of evangelism no longer work effectively today. We need new methods to communicate the timeless message of the gospel in culturally relevant ways. In a post-Christian, post-church, post-reached world, most Christians have been poorly equipped to tell their friends about Jesus. Dr. Chan combines the theological and biblical insights of classic evangelistic training with his own and hard-won insights from missiology on contextualization, cultural hermeneutics, and storytelling. Every chapter is illustrated with real-world examples drawn from over fifteen years of evangelistic ministry across the globe. These are methods that really work with university students, urban workers, and professionals getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ. Field-tested and filled with unique, fresh, and creative insights, this

book will equip you to share the gospel in today's world and help as many people as possible hear the good news about Jesus

Meeks, 2003-01-01 Meeks analyzes the letters of Paul to see what kind of people joined the Christian groups in the urban centers and what it was like to be a Christian then **The Pictorial Sunday Book** John Kitto, 1845 *First Converts* Shelly Matthews, 2001 It has often been said that rich pagan women much more so than men were attracted both to early Judaism and Christianity This book provides a new reading of sources from which this truism springs focusing on two texts from the turn of the first century Josephus's Antiquities and Luke's Acts The book studies representation analyzing the repeated portrayal of rich women as aiding and or converting to early Judaism in its various forms It also shows how these sources can be used in reconstructing women's history thus engaging current feminist debates about the relationship of rhetorical presentation of women in texts to historical reality Because many of these texts speak of high standing women's conversion to Judaism and early Christianity this book also engages in the current debate about whether early Judaism was a missionary religion The author argues that focusing on these stories of women converts and adherents which have been largely ignored in previous discussions of the missionary question sets the missionary question in a new more adequate framework The first chapter elucidates a story in Josephus's Antiquities of the mishaps of two Roman matrons devoted to Isis and Jewish cults by considering the common Hellenistic topos linking high standing women promiscuity and religious impropriety The remaining chapters demonstrate that in spite of this topos Josephus Luke and other religious apologists did tell stories of rich women's associations with their communities for positive rhetorical effect In so doing the book challenges the widespread assumption that women's association with foreign religious cults was always derided questions scholarly arguments about public and private roles in antiquity and invites reflection on issues of mission and conversion within the larger framework of Greco Roman benefaction A Theological Miscellany T.J. McTavish, 2010-10-24 Ever felt mortally embarrassed when all your friends are discussing the merits of the 5 points of Calvinism and you don't have the foggiest idea what they're talking about Ever kicked yourself for not knowing which popes reigned the shortest amount of time First on the list is Pope Urban VII who ruled for a whopping 13 days Well where else could you find the answer to all your problems but in A Theological Miscellany a maddeningly addictive cornucopia of trivia and smorgasbord of stuff that will keep you up late at night reading just one more page The best little book of trivia and oddities you'll ever find And if not the best then certainly in the top ten **Bible Timeline** Samuel Jordan, 2016-09 This compact and easy to read history spans the 4000 years of Biblical history and includes the lives of Adam Moses Jesus as well as the great flood and more **Gift and Duty** Paul H. De Neui, 2017-12-21 Is the Christian concept of grace anathema to the social structure of merit making found in Buddhist karmic communities Are all Buddhist forms of merit making purely for religious purposes to assuage cosmic consequences or are there other reasons Are there not Christian churches who operate

under a legalistic view of God's divine wrath and are in essence living as karmic communities of the Christian type. The result of discussions about these and other questions is the volume you now hold in your hand. SEANET proudly presents what is number 14 in its series of missiological reference texts: *Gift and Duty: Where Grace and Merit Meet*. Each of the ten authors presented here represents a particular perspective, both Christian and Buddhist, that can inform the other. The goal of this volume is to lead to a deeper understanding of the significance of diverse religious and cultural perspectives. An Introduction to the New Testament David A. deSilva, 2018-09-25 This comprehensive New Testament introduction not only outlines historical, social, cultural, and rhetorical contexts but it also points students preparing for ministry to relevant facets of biblical interpretation. Brimming with maps, photos, points of interest, and aids to learning, this beautiful full-color second edition of an established textbook is the first choice for those who want to integrate scholarship and ministry. **The Canadian Municipal Journal**, 1907 The Round Preacher; Or, Reminiscences of Methodist Circuit Life.
