Dictionary of French Family Names in North America Marc Picard,2020-09-10 This dictionary contains data not only on the origins of French surnames in Qu bec and Acadia a great many of which eventually spread to many parts of North America but also on those which arrived in the United States directly from various French speaking European and Caribbean countries In addition to providing the etymology of the original surnames it also lists the multifarious variants that have developed over the last four centuries A unique feature of this work in comparison to other onomastics dictionaries is the inclusion of genealogical information on most of the Francophone migrants to this continent something which has been rendered possible not only by the excellent record keeping in French Canada since the very beginnings of the colony but also through the explosion of such data on the internet in the last couple of decades In sum this dictionary serves the dual purpose of providing information on the meanings of French family names on the North American continent as well as on the migrants who brought them there **Répertoire Des Inventaires: Pays de la Loire** Inventaire général des monuments et des richesses artistiques de la France,1986 **Ancestors of Timothy W Hogan Vol. 1 Pedigree Charts** Diana J Muir,2018-11-23 Over 75 generations of ancestors traveled from the wilds of ancient Wales England Scotland Normandy and Germany to the high hillbilly country of Greene Co Tennessee and Kentucky Tim s ancestry includes people of several religions Quaker Presbyterian Episcopal Lutheran and Druid The people ranged from common folk tilling the soil to Knights Kings and Queens of Sweden Scotland England Wales and Normandy many of whom were Freemasons in the early years of the American Nation One of his ancestors was Robert Burns the national poet of Scotland Tim s Warren Freemason ancestors
