**God's People Count** Carl Barrett,2023-10-17 We are undoubtedly living in a society and culture that is growing stranger  
 by the day creating more distance between others minute by minute It seems that people are living in their own little bubbles  
 and silos more than ever with no interest in connecting with people effectively And it is evident that the rise of the digital age  
 is affecting people mentally and emotionally leading to voidness and isolation and a sense of hopelessness and helplessness  
 Billions of people are connecting with an unproductive device in their hands when it should be the word of God There is no  
 spiritual value when we allow the things of this world to consume our lives more than God s divine nature Do we really think  
 anything will improve in our homes communities churches schools country and globally if we re not grounded and connected  
 in the Truths of his word We must realize that connecting with humans physically emotionally and spiritually is how God  
 designed us Just like our Creator wants a relationship with you and me he wants us to bond with others so they can also see  
 the experience of his abundant blessings and goodness in our lives We cannot afford to be on the sidelines because it s all  
 about cultivating genuine care for God s creation and putting it into practice for the sake of ourselves and others now more
