EASYUNI Ultimate University Guide 2015-2016 EasyUni. By the time you get your hands on this magazine, a wave of changes is expected to happen. Tension of the recent SPM exams would have plummeted as the holiday spirit envelops us and while everything is bright and merry, some of you could be at the FACON Education Fair in KLCC this December, deciding which course to take whilst silently hoping you get aces on your actual SPM results. Nagging thoughts you would rather muffle with the latest Star Wars movie or New Year's dinner party. Nerve wracking it is, change is exciting. It's a cycle that all of us operate in and that's totally fine as I've been there too. Taking over the magazine with a fresh team of young writers was a tough experience but it was a great opportunity to decide and flesh out new ideas. Thoughts of failing trouble our minds but those are the very things that hinder us from growing. After having said that, I would encourage all of you to be a recipe for change. Don't be afraid to cook up some trouble.
