Performance Live Art 19to The Present:

Comprehensive Calendar of Bicentennial Events American Revolution Bicentennial Administration, 1975-06 **Art and Dance in Dialogue** Sarah Whatley, Imogen Racz, Katerina Paramana, Marie-Louise Crawley, 2020-11-07 This interdisciplinary book brings together essays that consider how the body enacts social and cultural rituals in relation to objects spaces and the everyday and how these are questioned explored and problematised through and translated into dance art and performance The chapters are written by significant artists and scholars and consider practices from various locations including Central and Western Europe Mexico and the United States The authors build on dialogues between for example philosophy and museum studies and memory studies and post humanism and engage with a wide range of theory from phenomenology to relational aesthetics to New Materialism Thus this book represents a unique collection that together considers the continuum between everyday and cultural life and how rituals and memories are inscribed onto our being It will be of interest to scholars and practitioners students and teachers and particularly those who are curious about the intersections between arts disciplines **Nostalgia, Anxiety, Politics: Media and Performing Arts in Egypt, Central-Eastern Europe, and Russia** Tetyana Dzyadevych, 2025-01-07 This volume shows that the cultural production of nostalgia is a major tool for structuring feelings of resentment and anxiety The current volume is concerned with collective nostalgia as it has been elicited channeled and weaponized by media production agents The book aims to analyze how the performing arts and media music cinema TV etc generate and shape the feeling of collective nostalgia It shows how the cultural production of nostalgia reflects distinct social political contexts and serves particular political purposes The collective monograph prioritizes cases from the post Soviet context However the authors do not argue that the collapse of the socialist bloc in general and the USSR in particular has established some unique nostalgic precedent The book claims that mechanisms of producing nostalgia and marshaling it for political purposes are broadly similar in most modern or postmodern settings It is not our intent to demonize Russia nor do we want Russia to be our dominant frame of reference even if in most of our cases here nolens volens appeared first in Russia centric post Soviet discourse The Russian bloc has been placed in the second part of the book in order to give primacy to non Russian subjects **Performance** RoseLee Goldberg, 1979 **Fashion, Performance, and Performativity** Andrea Kollnitz, Marco Pecorari, 2021-11-18 In the first comprehensive study of the interactions between fashion performance and performativity a group of international experts explore fashion as the ideal complex space or in other words the ideal space where performance and performativity come together according to the works of seminal theorists Eve Kosofsky Sedgwick and Andrew Parker Bringing together western and non western historical and contemporary case studies and theories the book explores the magazines photography exhibitions global colonial divides digital media and more which have become key markers of the fashion industry as we know it today Using existing literature as a springboard and incorporating perspectives from fashion studies art history
