The Vintage Rolex Field Manual Chevalier Digital Edition Colin A. White, 2020-05-01 Finding a vintage Rolex is easy. Finding one that's worth its price that's the challenge. Fakes are getting harder to spot and a poor restoration could end up costing you more than its price in repairs. That's a painful mistake you could avoid with the right information. Written by a seasoned collector, this guide will teach you the complex nuances of vintage Rolex watches, saving you from financial catastrophe and turning you into a savvy collector. 1,483 references are covered in extraordinary detail, from antique and vintage dress watches to contemporary professional watches. Bezel sizes, dial markings, case engraving, hands, movements, and much more, all documented so you know exactly what you're paying for. The guide will lead you from potential pitfall to glorious barn find, with all the treacherous twists and turns along the way. There are plenty of pictures to inspire, inform, and enlighten you as you learn to zero in on your dream watch. The world of vintage Rolex watches is complex and nuanced, making it especially daunting for the first-time buyer. But armed with the facts, you will make informed choices that put you back in the driver's seat.

Warman's Watches Field Guide Reyne Haines, 2011-02-10 With 100% new content and more than 400 gorgeous color photos, Warman's Watches Field Guide is the essential portable guide to one of the hottest collecting categories. Coast is the definitive guidebook into the county's luxe lifestyle **The Common Sense behind Basic Economics** Justin Vélez-Hagan, 2015-10-22 Although it may sometimes seem like studying trigonometry in Latin basic economics really is just plain common sense. But it's become so complicated in its presentation that very few are able to learn the basics. Whether academics, researchers, pundits, or legislators, few seem to have the skills to present economic topics in easy-to-understand language or they simply don't know very much themselves. With such misinformation being strewn about it's easy to see why the average citizen, first-year economics student, young professional, or even elected official becomes so easily confused. The truth, however, is that basic economics is actually quite simple and even more commonsensical, and it should be explained that way. It rarely is, however, and that's why I've written this book to explain the basics of the basics in simple and easy-to-understand language that isn't drier than the Atacama Desert without the charts, graphs, and formulas typically found in text books. Adding in an occasional dash of humor and politics, this book is intended to be a fun Cliff's Notes style supplement to the typical basic econ textbook but can also be used as a standalone introduction. Topics include most of the themes presented in an Econ 101 course as well as a number of end-of-chapter discussions on the policies relevant to economics today.

The Illustrated Directory of Watches James Wilson, 2025-10-07 The Illustrated Directory of Watches is a beautiful book that will provide watch enthusiasts with a fully illustrated and comprehensive book on all things watches. From historical timelines and facts, this beautifully photographed book will inform and excite both the novice and veteran watch aficionado. Enclosed is perhaps the most ambitious and lavishly illustrated history of watches for the collector and general reader. It shows in clear, detailed pictures over one thousand important landmark timepieces from all the classic watchmakers from the 1930s to the present day. Organized A-Z by manufacturer, each watch will be shown face on, and in some cases, some will include reverse and internal views. Each watch will be specially photographed in the studio for this book. In addition to the beautiful design, The Illustrated Directory of Watches includes a comprehensive introduction on the history of wristwatches and a quick reference listing of every piece featured.
