Ruling Passion Dalziel Pascoe:

Ruling Passion Reginald Hill, 1973 *Ruling Passion* Reginald Hill, 2022-09-06 A Yorkshire cop's reunion with old friends is marred by murder in this mystery by the finest male English contemporary crime writer Val McDermid. With his longtime girlfriend Ellie, detective Peter Pascoe is off to Thornton Lacey for an exciting weekend reunion with a few of his college friends. However, upon arrival, he finds no cause for celebration. Instead, there's been a triple homicide and one of his friends, the chief suspect, is missing. Pascoe is eager to assist with the case, but the local constabulary doesn't seem to welcome outside help. Meanwhile, Pascoe's superior, the incorrigibly rude Andy Dalziel, needs him back home to find the culprit behind a series of burglaries. Torn between two cases and two jurisdictions, Pascoe knows he must solve these cases quickly, if not for a sense of loyalty to his friends or duty to his job, then at least for his own sanity. *Ruling Passion* is the 3rd book in the Dalziel and Pascoe Mysteries, but you may enjoy reading the series in any order. Praise for *Ruling Passion*: Recipe for a winner: combine the best elements of the gritty procedural with a protagonist reminiscent of Dick Francis, then add a gallery of three-dimensional town and country characters and repartee worthy of Rex Stout. Kirkus Reviews **Ruling**

Passion Featuring Dalziel and Pascoe Reginald Hill, 1997 Ruling Passion Reginald Hill, 1999-09-09 *Ruling Passion* Reginald Hill, 1987 One of the modern masters of the police procedural. Sunday Telegraph: Peter Pascoe is in shock. A weekend in the country with old friends turns into a nightmare when he finds three of them dead and the missing fourth a prime suspect in the eyes of the local police. They want his cooperation, but Superintendent Dalziel needs him back in Yorkshire, where a string of unsolved burglaries looks like turning nasty. As events unfold, though, the two cases seem to be getting entwined. **The Encyclopedia of Murder and Mystery** B. Murphy, 1999-12-09 Bruce Murphy's Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories: authors, titles, plots, characters, weapons, methods of killing, movie and theatrical adaptations. What distinguishes this encyclopedia from the others in the field is its critical stance. *The Complete Index to Literary Sources in Film* Alan Goble, 2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film.

Pascoe's Ghost Reginald Hill, 2019-10-29 Mystery stories by the Diamond Dagger-winning author, one of the masters of the modern police procedural. The Sunday Telegraph: A man whose wife has been missing for a year gets some strange phone calls, as well as a visit from Detective Inspector Pascoe, in a novella that pays homage to Edgar Allan Poe. A female journalist faces skepticism from the police when she reports an assault and finds she may have to confront the attacker herself. A family man wonders what sort of trouble the previous occupants of his new house were mixed up in and finds some clues that were left behind in the move. These stories and four more from the author of the series starring Inspector Peter Pascoe and Superintendent Andrew Dalziel take us on a tour of the shadowy corners of Yorkshire, England, from a stormy churchyard to a gloomy attic, with tales of lust, greed, envy, and of course, murder. One of Britain's most consistently excellent crime novelists.
