## **Runner Sam Dryden:**

Runner Patrick Lee, 2014-02-18 Sam Dryden retired special forces lives a quiet life in a small town on the coast of Southern California While out on a run in the middle of the night a young girl runs into him on the seaside boardwalk Barefoot and terrified she s running from a group of heavily armed men with one clear goal to kill the fleeing child After Dryden helps her evade her pursuers he learns that the eleven year old for as long as she can remember has been kept in a secret prison by forces within the government But she doesn t know much beyond her own name Rachel She only remembers the past two months of her life and that she has a skill that makes her very dangerous to these men and the hidden men in charge Dryden who lost his wife and young daughter in an accident five years ago agrees to help her try to unravel her own past and make sense of it to protect her from the people who are moving heaven and earth to find them both Although Dryden is only one man he s a man with the extraordinary skills and experience as a Ranger a Delta and five years doing off the book black ops with an elite team But as he slowly begins to discover the highly trained paramilitary forces on their heels is the only part of the danger they must face Will Rachel s own unremembered past be the most deadly of them all **Signal**

Patrick Lee, 2015-07-07 Sam Dryden lives quietly in a small coastal town in southern California buying and fixing up old houses It s good physical work that he s come to love But his peaceful life is shattered when he gets a phone call from an old friend in trouble A phone call that pulls Dryden into the middle of a situation that s as violent as it is baffling For FBI agent Marnie Calvert it all begins at a secluded trailer in the Mojave Desert the scene of a horrifying crime but also of an impossible and mysterious act of heroism At least it should have been impossible Determined to learn the truth what Calvert discovers leads her to Sam Dryden an ex Special Forces operative whose ordinary life has suddenly become anything but Through their actions Dryden and Calvert have unknowingly placed themselves in the cross hairs of a frightening and dangerous enemy the result of a generations long conspiracy finally coming to fruition What these people have is a technology that allows them to affect events before they even happen How they are planning to use it however will result in the death of millions To defeat them Dryden will need to do more than think fast he ll need to think around corners and face down an enemy that can seize on his mistakes before he even makes them Following the national bestseller *Runner Sam Dryden* Patrick Lee s most indelible creation returns in one of the most compelling breathless thrillers yet **Signal** *Dark Site* Patrick Lee, 2019-05-28 From the author of *Runner Sam Dryden* comes under attack from unknown forces as an unremembered episode from his past threatens more than just his life On an otherwise normal morning former Special Forces operative Sam Dryden is the target of an unsuccessful attempted abduction Using his attacker s cellphone he learns that another person a woman named Danica Ellis is also being targeted Dryden arrives just in time to save Danica from the assault team sent after her But neither of them recognize the other or have any idea why they are being targeted The only clue is a heavily redacted official looking document given to Danica by her stepfather before he was killed Dryden

immediately recognizes it as a scrub file A scrub file is a record of what a subject knew before their memories were chemically destroyed The redacted document refers to witnesses to a secret military site in Ashland Iowa in 1989 Both Dryden and Danica Ellis lived in Ashland in 1989 when they were both twelve years old though neither of them has any memory of the other Switching back and forth between the present day when Dryden and Danica try to elude the forces that are after them and the past in Ashland Iowa when both were twelve making a discovery that forever changed their lives this latest Sam Dryden novel proves yet again that Patrick Lee is one of the most original compelling thriller writers today

*Only to Die Again* Patrick Lee, 2015-10 A desperate plea for help The middle of the night Sam Dryden takes a call from an old friend from his days in the military She needs his help Urgently There s no further explanation A race against time Two hours later Dryden and his former teammate smash their way in to a remote desert shack Inside they discover four young girls caged and threatened with death by their abductor Dryden acts An impossible secret But how had Dryden s friend known what about to unfold Why was it so important that they flee the scene before the police arrive Only one thing is certain Dryden is now facing a ruthless enemy that always seems to be one step ahead Acclaim for Patrick Lee Patrick Lee is in a word brilliant James Rollins An amazing high speed hi octane novel that moves faster than most people can read Nelson DeMille Pure adrenaline An action packed novel brimming with complex characters Not to be missed Lisa Gardner A terrific cast of characters unrelenting action I m going to sue Patrick Lee for giving me whiplash Jesse Kellerman *Runner - a perseguição* Patrick Lee, 2016-05-16 Ele estava no lugar certo e na hora errada e agora o nico que pode salv la Sam Dryden aposentado das for as especiais leva uma vida tranquila em uma pequena cidade na costa sul da Calif rnia Durante uma corrida noite seu caminho se cruza com o de uma garota em fuga Descal a e aterrorizada ela tentava escapar de um grupo armado e Sam aceita ajud la a despistar os perseguidores Apesar do instinto protetor ele deseja saber por que havia tantos homens incumbidos de matar uma menina de apenas doze anos Rachel no entanto n o pode responder a essa pergunta pois s se lembra dos dois ltimos meses de sua vida durante os quais ficou encarcerada em uma pris o secreta do governo A nica certeza que ela tem de que possui uma habilidade que a torna muito perigosa e valiosa para aqueles homens Mesmo assim Dryden decide ajudar a garota a descobrir seu passado enquanto fogem das for as militares altamente armadas e em meio a esta empreitada percebe que a habilidade de Rachel e os segredos governamentais que o envolvem podem ser o seu maior perigo *The Saturday Evening Post* , 1919 SCC Library has 1974 89 plus scattered issues **Talking Book Topics** , 2014

**Radio Crime Fighters** Jim Cox, 2015-06-14 In the early days of radio producers directors and scriptwriters were well aware of the listening public s fascination with subject matter tinged with wrongdoing Stories of right and wrong crime and punishment and law and order kept audiences of every age hooked for more than thirty years This work covers 300 syndicated radio mystery and adventure serials that aired in the early or middle twentieth century To be included a series must have had one or more regularly appearing characters who fought against espionage theft murder and other crimes
