The Bunny Run Tim Topps, 2014-03-10 It was something I had quietly enjoyed shared secrets with visited regularly always been happy to share my thoughts with in good times and bad It was so well known to me it would never let me down I had fallen in love with a road With offices in both towns Tim Topps has for many years driven twice weekly between Cambridge and Oxford and knows the road like the back of his gloved hand but now amid all his memories things are changing including his 20 year marriage which has come to an abrupt end Tim takes you in his beloved old Sunbeam Talbot two tone as the best ones were along familiar routes while frequently turning aside to disclose all manner of revelations ranging from a schoolboy's theft in Kenya on Armistice Day 1936 and a cavalry recruit's first day on parade first broadcast twice on the BBC to an old lady's possible affair with a really horrid dictator and a very feasible belief that ghosts come from the future all dressed up for a visit to the past The drive and the read pass smoothly but when Tim reaches his destination things change dramatically His reminiscences end and his problems rapidly unfold as he parks in Oxford Tim's adventures mirror the format of a monologue as he confides in the reader and compels you to read more The Bunny Run will appeal to fans of light hearted fiction

The Precisianist Strain Theodore Dwight Bozeman, 2012-12-01 In an examination of transatlantic Puritanism from 1570 to 1638 Theodore Dwight Bozeman analyzes the quest for purity through sanctification The word Puritan he says accurately depicts a major and often obsessive trait of the English late Reformation a hunger for discipline The Precisianist Strain clarifies what Puritanism in its disciplinary mode meant for an early modern society

struggling with problems of change order and identity Focusing on ascetic teachings and rites which in their severity fostered the precisianist strain prevalent in Puritan thought and devotional practice Bozeman traces the reactions of believers put under ever more meticulous demands Sectarian theologies of ease and consolation soon formed in reaction to those demands Bozeman argues eventually giving rise to a first wave of antinomian revolt including the American conflicts of 1636 1638 Antinomianism based on the premise of salvation without strictness and duty was not so much a radicalization of Puritan content as a backlash against the whole project of disciplinary religion Its reconceptualization of self and responsibility would affect Anglo American theology for decades to come **Forest and Stream** ,1891 *Words on Cassette* ,1997 *Blood Circuits* Jonathan Risner,2018-08-01 Examines how recent Argentine horror films engage with the legacies of dictatorship and neoliberalism Argentina is a dominant player in Latin American film known for its documentaries detective films melodramas and auteur cinema In the past twenty years however the country has also emerged as a notable producer of horror films Blood Circuits focuses on contemporary Argentine horror cinema and the various cinematic pleasures it offers national and transnational audiences Jonathan Risner begins with an overview of horror film culture in Argentina and beyond He then examines select films grouped according to various criteria neoliberalism and urban rural and suburban spaces English language horror films gore and affect in punk horror films and the legacies of the last dictatorship 1976 1983 While keenly aware of global horror trends Risner argues that these films provide unprecedented ways of engaging with the consequences of authoritarianism and neoliberalism in Argentina Blood Circuits is an important and much needed contribution to the fields of Latin American cinema and popular culture and genre film studies with a focus on horror cinema It offers original and innovative directions that will pave the way for new studies in different areas of film studies the internationalization of horror that unfolds a problematic relationship between the United States and the Global South the use of punk horror as a form of affect and the development of new kinds of pleasures and displeasures in the spectator Victoria Ru talo coeditor of Latsploitation Exploitation Cinemas and Latin America **Field and Stream** ,1925 *Chambers's Journal* ,1916 *Adam's Task* Vicki Hearne,2007-03-01 In it Vicki Hearne asserts that animals that interact with humans are more intelligent than we assume In fact they are capable of developing an understanding of the good a moral code that influences their motives and actions Hearne s thorough studies led her to adopt a new system of animal training that contradicts modern animal behavioral research but as her examples show is astonishingly effective Hearne s theories will make every trainer animal psychologist and animal lover stop think and question *Sal* Mick Kitson,2018-03-01 Just wonderful A breath of fresh air in a book Sal is a story with incredible heart told so beautifully and with such clarity and grace I can hardly believe it s a debut I loved it JOANNA CANNON author of THE TROUBLE WITH GOATS AND SHEEP AN OBSERVER NEW FACE OF FICTION 2018 This is a story of something like survival Sal planned it for almost a year before they ran She nicked an Ordnance Survey map from the school library She bought a compass a Bear Grylls knife waterproofs
