A Portrait of the Auteur as Fanboy Anastasia Salter,Mel Stanfill,2020-10-16 Increasingly over the past decade fan credentials on the part of writers directors and producers have come to be seen as a guarantee of quality media making the fanboy auteur Figures like Joss Whedon are both one of us and one of them This is a strategy of marketing and branding it is a claim from the auteur himself or industry PR machines that the presence of an auteur who is also a fan means the product is worth consuming Such claims that fan credentials guarantee quality are often contested with fans and critics alike rejecting various auteur figures as the true leader of their respective franchises That split between assertions of fan and
