of Education,1923 Parliamentary Debates Great Britain. Parliament. House of Commons,1923 Contains the 4th session of the 28th Parliament through the session of the Parliament The Post-Colonial State and Civil War in Sudan Noah R. Bassil,2015-08-25 The humanitarian crisis in Darfur a consequence of the civil war and ongoing violence has attracted significant international media attention Here Noah Bassil offers a re conception of the conflict in Darfur by examining the origins and progression of the conflict through the broader issue of state failure in post colonial Sudan By moving away from a localised view of the conflict Bassil is able to demonstrate the extent to which the breakdown of social relations in Darfur is interconnected with the wider breakdown of Sudanese and post colonial societies offering an examination of the nexus between international national and local forces Through its coherent framework for understanding the causes of the civil war that erupted in the Darfur region in 2003 this book provides a unique examination of the conflict and the wider post colonial situation making it an important contribution to the fields of History International Relations and Peace Studies

Afghanistan from the Cold War Through the War on Terror Barnett R. Rubin,2015-03-25 A collection of articles written from 1989 to 2009 updated for this volume **Mobilizing Human Resources in the Arab World (RLE Economy of Middle East)** R. Paul Shaw,2015-05-15 R Paul Shaw has travelled widely in the Arab world obtaining data and gathering impressions first hand from national and local planners In this book he identifies population and manpower problems that are likely to become more serious and more difficult to solve if they are neglected at this early stage of Arab development He focuses on five broad areas which are directly or indirectly related to mobilizing human resources and his book will be of special interest to all those who are concerned with such issues as population migration employment inequality the emancipation of women construction and agriculture Dr Shaw proposes policy directives which are sensitive to the problems as they are seen by the Arab governments themselves and sets out practical guidelines which can be used by Arab planners and policy makers An important feature of the book with respect to current literature on Arab development is that it moves away from a preoccupation with growth related investments to a concentration on development related population manpower and employment issues By bringing together such comprehensive empirical and bibliographic information it will also be invaluable as a reference source for some twenty Arab countries First published in 1983
