Exploring EFL Fluency in Asia T. Muller, J. Adamson, P. Brown, S. Herder, 2014-10-04 In EFL contexts an absence of chances to develop fluency in the language classroom can lead to marked limitations in English proficiency This volume explores fluency development from a number of different perspectives investigating measurements and classroom strategies for promoting its development

Classroom Practice and Teacher Cognition Nicholas Bradley, 2024-10-26 This collection occupies the middle ground between teachers showcasing their work and academics presenting research that is often situated in irreproducible uncommon or impractical classroom settings The work presented here is provided by full time university language educators who maintain a robust and active research agenda that focuses on their own classroom practice Whether one wishes to label it under action research exploratory practice reflective practice or other the findings of the research into their own practices and educational contexts are accessible and will resonate strongly with both practicing teachers and academics investigating classroom practice and teacher cognition All articles are written with the aim of developing practice in a way that is recognisable to teachers and beneficial to their educational efforts Indeed recent literature calls for guidance to come from those actively engaged in classroom teaching and who apply sound research methods to the daily contexts lived by teachers and students

Towards a New Paradigm for English Language Teaching Hajime Terauchi, Judy Noguchi, Akira Tajino, 2019-10-30 This book proposes a new paradigm for English language teaching based on concepts from English for Specific Purposes ESP research and applications as well as from growing evidence relating pattern recognition to language learning ability The contributors to the volume argue that learners should not try to become proficient all around users of idealistic native like English but instead should be realistic about what they need to acquire and how to go about achieving their specific goals The book discusses the present situation by describing the status quo of English language education in Japan taking into consideration recent trends of CLIL content and language integrated learning EMI English medium instruction and TBLT task based language teaching as well as the work done on the Common European Framework of Reference for Languages CEFR It introduces new movements in ESP in Japan and in other Asian regions covering topics ranging from genre analysis to corpus linguistics and presents application examples of ESP practice in a range of educational situations in Japan from the graduate school level to elementary and middle school contexts It also offers readers application examples of ESP practice in a range of business settings and expands the discussion to the global sphere where EAP and ESP are gaining importance as the number of ELF English as a Lingua Franca speakers continue to increase The book will be of great interest to academics researchers and post graduate students working in the fields of EFL and ESL

Long-term effects of Learning English Shigeo Uematsu, 2015-05-05 This book presents a pioneering longitudinal study on English language instruction at the elementary school ELES level in the Japanese public school system It attempts to identify those domains most sensitive to early English instruction by employing a state of the art quantitative

research methodology English education was formally introduced in Japan for fifth and sixth graders in 2011 and is still in its infancy as a program This study compares two groups Grade 7 and 8 of students one with ELES and one without in order to shed light on their experiences Comparisons are carried out not only quantitatively measuring changes in English skills listening speaking reading and vocabulary grammar and the ELES students affective aspects but also qualitatively through in depth interviews Thus this study attempts to capture the ELES students experiences from a multi dimensional perspective The comprehensive literature review provided offers a valuable resource not only for researchers looking for a quick digest of the literature in this field before undertaking their own research but also for policy makers seeking to assess how to best implement ELES

Quantitative Data Analysis for Language Assessment Volume II Vahid Aryadoust,Michelle Raquel,2019-07-04 Quantitative Data Analysis for Language Assessment Volume II Advanced Methods demonstrates advanced quantitative techniques for language assessment The volume takes an interdisciplinary approach and taps into expertise from language assessment data mining and psychometrics The techniques covered include Structural Equation Modeling Data Mining Multidimensional Psychometrics and Multilevel Data Analysis Volume II is distinct among available books in language assessment as it engages the readers in both theory and application of the methods and introduces relevant techniques for theory construction and validation This book is highly recommended to graduate students and researchers who are searching for innovative and rigorous approaches and methods to achieve excellence in their dissertations and research It is also a valuable source for academics who teach quantitative approaches in language assessment and data analysis courses

The Top Books of the Year Sample Eiken Speaking Test The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sample Eiken Speaking Test : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
