The Musician's Business and Legal Guide Mark Halloran, 2017-03-16 The Musician's Business and Legal Guide provides vital information to help demystify the music business and the complex body of law that shapes it. This book answers such questions as how to protect name and copyright, what is and is not legal about sampling, what are the legal issues surrounding digital downloads and streaming, what are the jobs of managers, talent agents and publishers, what are common contractual relationships between independent and major labels. The new edition includes chapters not covered in depth by other books: social media law, TV talent shows, YouTube and international copyright. As in previous editions, the book features clause-by-clause contract analyses for 360 record deals, music publishing management and producer agreements. **A+**

Guide to Managing and Maintaining Your PC Jean Andrews, 2003 The A Guide to Managing and Maintaining Your PC Comprehensive Fourth Edition has been thoroughly updated for today's technology and is written by an instructor expressly for the classroom.
