Extending Play Alyxandra Vesey,2024 Despite the hypervisibility of a constellation of female pop stars the music business is structured around gender inequality As a result women in the music industry often seize on self branding opportunities in fashion cosmetics food and technology for the purposes of professional longevity Extending Play examines the ubiquity of brand partnerships in the contemporary music industry through the lens of feminized labor to demonstrate how female artists use them as a resource for artistic expression and to articulate forms of popular feminism through self commodification In this book author Alyxandra Vesey examines this type of promotional work and examines its proliferation in the early 21st century Though brand partnerships exist across all media industries they are a distinct phenomenon for the music business because of their associations with fan club merchandise concert merchandise and lifestyle branding often foregrounding women s
