Paul Proclaimed Salvation:

The Beginning of Paul's Gospel Nijay K. Gupta, John K. Goodrich, 2023-07-07 The Epistle to the Romans remains the centerpiece of all serious Pauline theological research Each of the major sections of Romans has received significant attention in recent scholarship yet no consensus has emerged about how to read the opening chapters of Paul's most important letter Romans 1-4 This collection of essays returns to the beginning of Paul's theological masterpiece to probe longstanding puzzles and to offer new readings and fresh insights on some of the most cherished chapters in the entire Pauline corpus

The Origin of Paul's Gospel Seyoon Kim, 2007-04-01 In answer to Pauline scholarship that tends to explain the origin of Paul's gospel in Palestinian Judaism Hellenistic Judaism mystery cults or Gnosticism Seyoon Kim here argues that the origin lies in Paul's own testimony that he received the gospel from the revelation of Jesus Christ on the Damascus road Only when this insistence of Paul is taken seriously says Kim can we really understand Paul and his theology Kim begins his investigation of Paul's interpretation of the Damascus event by examining Paul's Rabbinic background He then takes a more detailed look at just what occurred on the Damascus road and follows this with a thorough discussion of Paul's gospel the revelation its Christology and its soteriology keeping in mind at all times how it relates to the Damascus event

Plantinga, Thomas R. Thompson, Matthew D. Lundberg, 2022-11-03 A journey in Christian theology through biblical historical and thematic perspectives with special attention to the context of today s world **New Testament Theology** Frank J. Matera, 2007-01-01 In this systematic book by book exploration of the theology of each New Testament writing Frank J Matera explores theological diversity and unity in the writings of the New Testament After an introduction to the history and method of New Testament theology he explains and describes the theologies of the Synoptic Pauline and Johannine traditions as well as the rich theology of other New Testament voices Hebrews the Catholic Epistles and the book of Revelation Integrating both Protestant and Catholic approaches this work provides students pastors and scholars a comprehensive view of the New Testament that is rich in exegetical and theological insight **The Treasury; a Magazine of Religious and Current Thought for Pastor and People**, 1890 **The Treasury**, 1890 **1 Corinthians 1-4** Oh-Young Kwon, 2010-08-01 This book investigates 1 Corinthians 1 4 from a rhetorical and social perspective and explores that a divisive culture of rhetorical and paternal elitism lies behind the schisms and problems identified in the letter This culture appears to have been shaped to some extent by the legacy of Cicero Paul s references to boasting and imitation indicate both his subversive use and his critique of this Greco Roman wisdom In the final chapter this analysis of wisdom traditions and their social consequences among first century Corinthians leads to a critical reflection on similar dynamics among Korean Christians in twenty first century Korean Confucian culture In particular Korean Protestants are encouraged to take a more positive stance towards Confucian wisdom traditions as exemplified by T oegye s legacy and some insights are suggested into the ethics of imperial worship ancestral veneration and ethnic exclusivity **Perseverance and Apostasy in the New Testament** Dongsu Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words

that bear upon the subject described in the Gospels. It also illuminates questions of the relationship between God's sovereignty and human responsibility, the role of the Holy Spirit for the believer's perseverance, and the role of Satan for the apostates falling away. The book is a needed addition to earlier works on perseverance and apostasy.

ENDORSEMENTS

The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ. Many despair of ever coming to a definitive conclusion, often contending that the biblical evidence is inconsistent and beyond resolution. Don Kim's near exhaustive analysis of the relevant NT texts proves otherwise. He is thoroughly conversant with virtually all contributors to this subject, and his meticulous contribution will surely prove to be the standard for future dialogue. Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book.

Dr Sam Storms, Lead Pastor of Bridgeway Church, Oklahoma City, *Enjoying God Ministries*: Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament. Scholars disagree on how to interpret these difficult passages, but Kim defends well his own understanding, and his important study will have to be reckoned with in future work on this controversial topic.

Dr Thomas R. Schreiner, James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology, The Southern Baptist Theological Seminary: *Perseverance and Apostasy in the New Testament* is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize. The author neither avoids difficult questions nor skirts challenging texts. Rather, he carefully works his way through each relevant New Testament text's central exegetical questions, offering judicious insights and integrating those insights into a collective explanation. I found some of my own assumptions challenged while reading this book. I am happy to recommend it as a helpful addition to, and sometimes needed correction of, earlier works on perseverance.

Dr Kenneth Berding, Professor of New Testament, Talbot School of Theology at Biola University: *Perseverance and Apostasy in the New Testament* concentrates on the crucial questions of whether genuine believers in Jesus could apostatize, and whether the NT presents a consistent picture on that very issue, by providing a careful exegetical treatment of numerous passages across the New Testament, beginning with the Synoptics and John's Gospel, walking through Acts and the letters, and completing with the book of Revelation. One's theological presuppositions will, of course, affect how he/she receives and responds to Kim's case. It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude. Yet undoubtedly, *Perseverance and Apostasy in the New Testament* proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy, and the relevant biblical texts, to form their own conclusions. This well written book will serve its readers effectively by sharpening or challenging their views, if not both.

Dr John Lee, Associate Professor of New Testament, Midwestern Baptist Theological Seminary: This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints, taught and defended by the Reformed tradition. *Perseverance and Apostasy in the*

New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim's exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers' engagements with apostasy are consonant with the Scriptures' declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms' challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary

to fill a gap on the important topic of God s judgment It is written for Christians who desire to have a biblical worldview that
helps them to live faithfully for Jesus Christ It investigates what the apostle Paul has to say in his letters about God s
judgment The worldview that emerges is one that must not be ignored of judgment as fundamental to our human life as
Adam s descendants of God s judgment at work in the world today and of the final judgment as the certain future for every
person At the center is the decisive judgment of our sin in Christ at the cross which is God s answer to our judgment problem
For each of these four aspects of judgment key questions are considered with the central question being How do we live in
