

Paul Learned About Jesus Bible Craft

Bible Story: Paul Learned About Jesus

Bible Text: Acts 9:1-20

Suggested Learning Outcome: This flip-over craft will teach children that you become a new person when you are saved, just as Paul was made into a new man when he learned about Jesus.

Supplies List:

- Cardstock
- Crayons
- Felt
- Glue

Teacher Preparation:

Pre-cut a piece of cardstock into a body shape and pre-cut two felt robe shapes. You will need 1 body and 2 robes per student.

Instructions:

Step 1. Give kids a cardstock body and one robe. Instruct them to decorate one side to show the kind of person Paul was before he met Jesus. Remind children that his name was even different before he was saved. He was called Saul and he was mean to Christians. This can be represented with an angry face and Paul could be holding a sword.

God Through his half century of teaching and writing the doctrine of creation becomes decisive for Sponheim featuring a God who has a very big operation going in this world Drawing on such diverse mentors as Søren Kierkegaard Alfred North Whitehead and feminist authors he offers a deeply relational conception of the tallness the height humankind seeks In his own family he sees God's operation in such diverse worlds as music science and athletics Personally he has witnessed the saving work of the Creator in such worldly affairs as inner city social change programs a domestic abuse project and the National Alliance for the Mentally Ill Without compromising a present time ethic of risk he closes with an eschatological exploration asking What future would do if it were true And Is it true *NIV, Homeschool Mom's Bible* Janet

Weston, 2022-04-01 The Church is entering a season of change Together we need to restore renew and rebuild to create a more hopeful faith-filled future and the book of Nehemiah shows us how With contributions from Debra Green and Paul Weston Cris Rogers explores how we can learn from Nehemiah's story and restore our hearts our focus and our world so that the Church can thrive as we join in with God's heart for restoring all things An inspiring call to action this book will challenge and equip you to join God's mission and the full ministry of Jesus **Working At Night** Ger Duijzings, Lucie

Dušková, 2022-10-03 The night represents almost universally a special liminal or out of the ordinary temporal zone with its own meanings possibilities and dangers and political cultural religious and social implications Only in the modern era was the night systematically colonised and nocturnal activity normalised in terms of industrial labour and production processes

Although the globalised 24 7 economy is usually seen as the outcome of capitalist modernisation development and expansion starting in the late nineteenth century other consecutive and more recent political and economic systems adopted perpetual production systems as well extending work into the night and forcing workers to work the night shift normalising it as part of an alternative non capitalist modernity This volume draws attention to the extended work hours and night shift work which have remained underexplored in the history of labour and the social science literature By describing and comparing various political and economic regimes it argues that from the viewpoint of global labour history night labour and the spread of 24 7 production and services should not be seen only and exclusively as an epiphenomenon of capitalist production but rather as one of the outcomes of industrial modernity *Route 66: A Trip through the 66 Books of the Bible, Grades 2 - 5*

McMinn,2024-10-22 We live in a day of fast information fast fingers fast food fast shipping fast words fast anger and fast

judgment Our fight or flight impulses keep us on high alert aided by mobile devices that vibrate each time another crisis strikes All this fastness can easily interfere with a slow intentional life grounded in God's love Christian faith has deep treasures and practices to offer us How will we live and who will we be in this highly charged era where politics economics environment and social norms are under significant duress Come explore quieter more intentional ways of being and how these might attune us to the slow work of God in order that we might love one another and the world as God does Our chapters pair a lure to move fast with an invitation to slow Becoming slow to anger is an invitation to empathy slow to judge is an invitation to humility and slow to grasp is an invitation to contentment Ultimately each of these invitations is a movement toward God
