Pullen, Michael J. Kennedy, 2018-10-04 Of the many issues facing special education and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a

comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention

JEBPS Vol 13-N1 Journal of Evidence-Based Practices for Schools,2012-03-22 The Journal of Evidence Based Practices for Schools is a leader in publishing research to practice articles for educators and school psychologists The mission of this journal is to positively influence the daily practice of school based professionals through studies demonstrating successful research based practices in educational settings As a result the editors are committed to publishing articles with an eye toward improving student performance and outcomes by advancing psychological and educational practices in the schools They seek articles using non technical language that 1 outline an evidence based practice 2 describe the literature supporting the effectiveness and theoretical underpinnings of the practice 3 describe the findings of a study in which the practice was implemented in an educational setting and 4 provide readers with information they need to implement the practice in their own schools in a section entitled Implementation Guidelines The Journal of Evidence Based Practices for Schools differs from other scholarly journals in that it features articles that demonstrate empirically based procedures for readers to apply the practice in their setting
