**Performance Studies** Bryan Reynolds, 2014-11-27 The field of performance studies analyses the production and impact of on stage performance such as in a theatre or circus and off stage performance such as cultural rituals and political protests *Performance Studies Key Words Concepts and Theories* introduces students to 34 key topics seen as paramount to the future of performance studies in a series of short engaging essays by an international team of distinguished scholars Each essay contributes to the wide ranging adventurous and conscientious nature that makes performance studies such an innovative valuable and exciting field

**Performance in the Twenty-First Century** Andy Lavender, 2016-05-26 *Performance in the Twenty First Century Theatres of Engagement* addresses the reshaping of theatre and performance after postmodernism Andy Lavender argues provocatively that after the classic postmodern tropes of detachment irony and contingency performance in the twenty first century engages more overtly with meaning politics and society It involves a newly pronounced form of personal experience often implicating the body and or one's sense of self This volume examines a range of performance events including work by both emergent and internationally significant companies and artists such as Rimini Protokoll Blast Theory dreamthinkspeak Zecora Ura Punchdrunk Ontroerend Goed Kris Verdonck Dries Verhoeven Rabih Mroue Derren Brown and David Blaine It also considers a wider range of cultural phenomena such as online social networking sports events installations games based work and theme parks where principles of performance are in play *Performance in the Twenty First Century* is a compelling and provocative resource for anybody interested in discovering how performance theory can be applied to cutting edge culture and indeed the world around them

**Evolution, Cognition, and Performance** Bruce McConachie, 2015-12-15 Culture and cognition work together dynamically every time a spectator interprets meaning during a performance In this study Bruce McConachie examines the biocultural basis of all performance from its origins and the cognitive processes that facilitate it to what keeps us coming back for more To effect this major reorientation McConachie works within the scientific paradigm of enaction which explains all human activities including performances as the interactions of mental bodily and ecological networks He goes on to use our biocultural proclivity for altruism as revealed in performance to explore our species gradual ethical progress on such matters as the changing norms of religious sacrifice slavery and LGBT rights Along the way the book engages with a wide range of performances including Richard Pryor's stand up the film *Titanic* aerialist performances American football and the

stage and film versions of *A Streetcar Named Desire*      **Performance Constellations** Marcela A. Fuentes, 2019-10-21  
Performance Constellations maps transnational protest movements and the dynamics of networked expressive behavior in the streets and online as people struggle to be heard and effect long term social justice Its case studies explore collective political action in Latin America including the Zapatistas in the mid 90s protests during the 2001 Argentine economic crisis the 2011 Chilean student movement the 2014 2015 mobilizations for the disappeared Ayotzinapa students and the 2018 transnational reproductive rights movement The book analyzes uses of space time media communication and corporeality in protests such as virtual sit ins flash mobs scarfazos and hashtag campaigns arguing that these protests not only challenge hegemonic power but are also socially transformative While other studies have focused either on digital activism or on street protests Performance Constellations shows that they are in fact integrally entwined Zooming in on protest movements and art activism in Mexico Argentina and Chile and putting contemporary insurgent actions in dialogue with their historical precedents the book demonstrates how even in moments of extreme duress social actors in Latin America have taken up public and virtual space to intervene politically and to contest dominant powers      **Church Music Through the Lens of**

**Performance** Marcell Silva Steuernagel, 2021-03-14 This book is an investigation into church music through the lens of performance theory both as a discipline and as a theoretical framework Scholars who address religious music making in general and Christian church music in particular use performance in a variety of ways creating confusion around the term A systematized performance vocabulary for the study of church music can support interdisciplinary investigations of Christian congregational music making in today s complex interconnected world From the perspective of performance theory all those involved in church musicking are performing be it from platform or pew The book employs a hybrid methodology that combines ethnographic research and theory from ritual studies ethnomusicology theology and church music scholarship to establish performance studies as a possible next step in church music studies It demonstrates the feasibility of studying church music as performance by analyzing ethnographic case studies using a developmental framework based on the concepts of ritual embodiment and play change This book offers a fresh perspective on Christian congregational music making It will therefore be a key reference work for scholars working in Congregational Music Studies Ethnomusicology Ritual Studies and Performance Studies as well as practitioners interested in examining their own church music practices

Time and Performer Training Mark Evans, Konstantinos Thomaidis, Libby Worth, 2019-02-08 Time and Performer Training addresses the importance and centrality of time and temporality to the practices processes and conceptual thinking of performer training Notions of time are embedded in almost every aspect of performer training and so contributors to this book look at age aging and children in the training context how training impacts over a lifetime the duration of training and the impact of training regimes over time concepts of timing and the right time how time is viewed from a range of international training perspectives collectives ensembles and fashions in training their decay or endurance Through focusing

on time and the temporal in performer training this book offers innovative ways of integrating research into studio practices It also steps out beyond the more traditional places of training to open up time in relation to contested training practices that take place online in festival spaces and in folk or amateur practices Ideal for both instructors and students each section of this well illustrated book follows a thematic structure and includes full length chapters alongside shorter provocations Featuring contributions from an international range of authors who draw on their backgrounds as artists scholars and teachers Time and Performer Training is a major step in our understanding of how time affects the preparation for performance Chapter 16 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons CC BY 4.0 license

**Islam and Popular Culture** Karin van Nieuwkerk, Mark LeVine, Martin Stokes, 2016-04-12 Popular culture serves as a fresh and revealing window on contemporary developments in the Muslim world because it is a site where many important and controversial issues are explored and debated Aesthetic expression has become intertwined with politics and religion due to the uprisings of the Arab Spring while at the same time Islamist authorities are showing increasingly accommodating and populist attitudes toward popular culture Not simply a westernizing or secularizing force as some have asserted popular culture now plays a growing role in defining what it means to be Muslim With well structured chapters that explain key concepts clearly Islam and Popular Culture addresses new trends and developments that merge popular arts and Islam Its eighteen case studies by eminent scholars cover a wide range of topics such as lifestyle dress revolutionary street theater graffiti popular music poetry television drama visual culture and dance throughout the Muslim world from Indonesia Africa and the Middle East to Europe The first comprehensive overview of this important subject Islam and Popular Culture offers essential new ways of understanding the diverse religious discourses and pious ethics expressed in popular art productions the cultural politics of states and movements and the global flows of popular culture in the Muslim world

Alliot, Magnolia Pauker, 2017-09-20 This book offers a glimpse of new perspectives on how philosophy performs in the gaps between thinking and acting Bringing together perspectives from world renowned contemporary philosophers and theorists including Judith Butler Alphonso Lingis Catherine Malabou Jon McKenzie Martin Puchner and Avital Ronell this book engages with the emerging field of performance philosophy exploring the fruitful encounters being opened across disciplines by this constantly evolving approach Intersecting dramatic techniques with theoretical reflections scholars from diverse geographical and institutional locations come together to trace the transfers between French theory and contemporary Anglo American philosophical and performance practices in order to challenge conventional approaches to knowledge Through the crossings of different voices and views the reader will be led to explore the in between territories where performance meets traditionally philosophical tools and mediums such as writing discipline plasticity politics or care Intermedial Theater

Bryan Reynolds, 2017-04-06 This book explores relationships between intermedial theater consciousness memory objects subjectivity and affect through productive engagement with the performance aesthetics socio cognitive theory and critical methodology of transversal poetics alongside other leading philosophical approaches to performance It offers the first sustained analysis of the work of Gilles Deleuze Félix Guattari Jean Baudrillard and Friedrich Nietzsche in relation to the contemporary European theater of Jan Lauwers and Needcompany Romeo Castellucci and Societas Raffaello Sanzio Thomas Ostermeier Rodrigo García and La Carnicería Teatro and the Transversal Theater Company It connects contemporary uses of objects simulacra and technologies in both posthumanist discourse and postdramatic theater to the transhistorically and culturally mediating power of Shakespeare as a means by which to discuss the affective impact of intermedial theater on today's audiences Woke Shakespeare: Rethinking Shakespeare for a New Era

Ian McCormick, 2025-06-07 Shakespeare's plays have always been embroiled in political and cultural debates From the Elizabethan Jacobean stage to modern classrooms his works provoke conversation challenge conventions and ignite controversy Nonetheless Shakespeare's central position in the traditional cultural establishment is facing renewed scrutiny as some critics start to question whether his works should still occupy a prime position on the syllabus and the stage Debates about woke ideology emerging in part out of the earlier culture wars have stimulated renewed interest in the role of various schools of critical enquiry ranging from feminism and gender to queer theory postcolonialism and race to cultural materialism global studies to eco criticism social class to social justice The essays in this new collection provide a forum for more diverse voices and debates seeking to explore how to engage with modern social and political issues in transformative ways How can we navigate new thinking about the struggle for social justice while reimagining Shakespeare's role in a rapidly changing political cultural landscape How does Shakespeare's work intersect with modern political anxieties such as the politics of woke and cultural panic In terms of rethinking identity and human agency what do Shakespeare's characters reveal or obscure about today's debates on race gender and social justice With regard to censorship safety and emancipation how should educators approach potentially

sensitive content in a way that respects both free speech and inclusivity To what extent does working with Shakespeare involve global perspectives and postcolonial insights that might contribute to decolonizing the curriculum How do new platforms social media conversations and digital adaptations shape our engagement with Shakespearean texts Featuring feminist reinterpretations queer temporalities global perspectives and postcolonial adaptations appropriations WOKE SHAKESPEARE challenges readers to reconsider Shakespeare s current contribution to twenty first century culture It is an essential resource for educators performers and scholars who wish to grapple with Shakespeare s contested legacy and explore innovative approaches to his works in an era of political struggle and social transformation Whether embracing resisting or reinterpreting woke ideologies this book aims to foster a civilized and critical dialogue about Shakespeare s enduring influence in a world that is constantly redefining itself in line with controversial new ideas about social justice

**Art and the City** Nicolas Whybrow, 2010-10-30 To Henri Lefebvre the space and lived everydayness of the inter dependent multi faceted city produces manifold possibilities of identification and realisation through often imperceptible interactions and practices Art and the City takes this observation as its cue to examine the role of art against a backdrop of globally rising urban populations taking into account the more recent performative and relational turns of art that have sought in their city settings to identify a participating spectator an implicated citizen In exploring how artworks present themselves as a means by which to navigate and plot the city for a writing interlocutor Nicolas Whybrow discusses diverse examples representing three key modern modalities of urban arts practice The first walking involves works by Richard Wentworth Francis AIA s Mark Wallinger and others the second play includes art by Antony Gormley Mark Quinn and Carsten Holler The third cultural memory Whybrow addresses through the controversial urban holocaust memorial sites of Peter Eisenman s memorial in Berlin and Rachel Whiteread s in Vienna **ECGBL 2019 13th European Conference on**

**Game-Based Learning** Lars Elbæk, Gunver Majgaard, Andrea Valente, Saifuddin Khalid, 2019-10-03 Politics of Practice Lynette Hunter, 2019-10-17 This book discusses affective practices in performance through the study of four contemporary performers Keith Hennessy Ilya No Caro Novella and duskin drum to suggest a tentative rhetoric of performativity generating political affect and permeating attempts at social justice that are often anterior to discourse The first part of the book makes a case for the political work done alongside discourse by performers practising with materials that are not known in ways that are directly relevant to people carrying out their daily lives In the second part of the book four case study chapters circle around figures of irresolvable paradox hendiadys enthymeme anecdote allegory that gesture to what is not known to study strategies for processes of becoming knowing and valuing These figures also shape some elements of these performances that make up a suggested rhetorical stance for performativity *Performing Commemoration* Annegret Fauser, Michael A. Figueroa, 2020-10-07 Public commemorations of various kinds are an important part of how groups large and small acknowledge and process injustices and tragic events Performing Commemoration Musical Reenactment and the

Politics of Trauma looks at the roles music can play in public commemorations of traumatic events that range from the Armenian genocide and World War I to contemporary violence in the Democratic Republic of the Congo and the sayhername protests Whose version of a traumatic historical event gets told is always a complicated question and music adds further layers to this complexity particularly music without words The three sections of this collection look at different facets of musical commemorations and reenactments focusing on how music can mediate but also intensify responses to social injustice how reenactments and their use of music are shifting and not always toward greater social effectiveness and how claims for musical authenticity are politicized in various ways By engaging with critical theory around memory studies and performance studies the contributors to this volume explore social justice in and through music
