Personal Narrative of a Pilgrimage to Al-Madinah and Meccah Sir Richard Francis Burton,1906 *Teaching for a Multifaith World* Eleazar S. Fernandez,2017-05-05 When religious diversity is our reality radical hospitality to people of other faiths is not a luxury but a necessity More than necessary for our survival radical hospitality to religious diversity is necessary if we are to thrive as a global society By no means does the practice of hospitality in a multifaith world require that we be oblivious of our differences On the contrary it demands a respectful embrace of our differences because that s who we are Neither does radical hospitality require that we water down our commitment because faithfulness and openness are not contradictory We must be able to say with burning passion that we are open to the claims of other faiths because we are faithful to our religious heritage The essays in this book do not offer simply theological exhortations they offer specific ways of how we can become religiously competent citizens in a multifaith world Let s take the bold steps of radical openness with this book on our side *Muhammad: Forty Introductions* Michael Muhammad Knight,2019-01-08 A scholarly hip and digressive primer on the life and teachings of the great prophet Muhammad and the stunning diversity of Islam New Yorker Muhammad is perfect a book designed to seduce educate and irritate its audience into curiosity about Islam and Muhammad and on all three fronts it succeeds NPR Books He ranks among the most venerated historical figures in the world as well as among the most contested Muhammad Forty Introductions offers a distinct and nuanced take on the life and teachings of the prophet Muhammad using a traditional genre of Islamic literature called the forty hadiths collection Hadiths are the reported sayings and actions of Muhammad that have been collected by the tens of thousands throughout Islamic history There is a tradition in which Muslim scholars take from this vast textual ocean to compile their own smaller collections of forty hadiths an act of curation that allows them to present their particular understanding of Muhammad s legacy and the essential points of Islam Here Michael Muhammad Knight offers forty narrations that provide windows into the diverse ways in which Muslims envision Muhammad He also examines his own relationship to Muslim traditions while exploring such topics as law mysticism sectarianism gender and sexuality By revealing the Prophet to be an ongoing construction he carefully unravels notions about Islam s center and margins *A Meaningful Life* Muhammad Sholahuddin,2014-11-12 Most people think about a meaningful life is as a life with much money Whereas some rich people are confused how to use their money Some think about poor people can not get the meaningful life Is that right This inspiring book explains three essential keys of the real meaningful life and happy life for all people One of the interesting aspects of this book is about the materials that is completed with the real stories from the people who experienced a meaningful and happy life [http www amazon com](http://www.amazon.com) Meaningful Life Menjadikan Hidup Bermakna dp 1482828006
