

AN EXAMPLE OF A POORLY STRUCTURED AND WRITTEN ESSAY

The Fourth Industrial Revolution (4IR) is having a rapid impact on the South African banking industry.

Where are the numbered headings?

Why are you indenting the paragraphs?

Advanced Technology add South Africa equals the 4th Industrial Revolution, how is that an equation? In 2019 the whole went into a tragic pandemic called the COVID 19 which led the whole world into devastation as people were dying and there had to be lockdown putting the economy at risk because people could not work from their buildings but home. The process of doing things online opened a whole new world for us even introducing the paperless system since we couldn't touch things by our hands to avoid contracting the disease. There are many benefits as to using a paperless system and they will be discussed in this essay.

Where is your CTS in which you state what you are arguing for and what the essay is about?

Where is the POD?

Why are you writing in the first person's voice?

Why are you using contractions?

In South Africa we all know we are battling with crime and old people getting robbed every now and then losing their hard-earned money and possessions. Imagine now a world with no paper money and everything done online, that will decrease these crime rates even those criminals will not even be able to sell those possessions because no paper money will be used. Paperless Banking will also save us from losing statements that may be needed to apply for claiming forms, jobs and just about anything that will need a statement.

Where is the concluding sentence?

This paragraph was not well-developed.

Online banking will help with offering customers with control over what is also happening in their accounts, they can properly manage their account, be able to see each and every transaction like making an online payment or money paid into their account or money transfer without their hassle of having to use paper notes or making banking deposits, standing in long lines – all of this can be avoided. This is a very long sentence. The other most important benefit is identity theft, when using the online system every

What To Consider if You're Considering University — The Big Picture Bill Morrison, Ken S. Coates, 2014-07-02 Going to university used to be a passport to future success but that's no longer the case For some students it's still a good choice that leads to a successful career after graduation but for many their degrees are worthless pieces of paper Choose the wrong program and graduation is more likely to lead to disillusionment and debt than a steady paycheck Yet parents guidance counselors and politicians still push higher education as if it's the only option for building a secure future In this book Ken S Coates and Bill Morrison set out to explore the many educational opportunities and career paths open to Canadian high school students and those in their twenties This book is designed to help young adults decide whether to pursue a degree enroll for skills training or investigate one of the many other options that are available In this special excerpt we take a wide angle look at the world that awaits you after high school and how to cope with it while making the best decisions for a prosperous future including 1 Preparing for Life After High School 2 Surviving and Thriving in Post Secondary Education and 3 Who Are You and What Are Your Choices This book will help you consider all the options in a clear rational way

Revision Cognitive and Instructional Processes Linda Allal, L. Chanquoy, Pierre Largy, 2012-12-06 Revision Revisited LINDA ALLAL LUCILE CHANQUOY University of Geneva Switzerland University of Nantes France Revision is a fundamental component of the writing process So fundamental that for some specialists writing is largely a matter of revising or as Murray 1978 stated Writing is rewriting p 85 Experience with writing does not however automatically translate into increased skill in revision Learning to revise is a lengthy complex endeavor Beginning writers do little revision spontaneously and even experienced writers encounter difficulties in attempting to improve the quality of their texts Fitzgerald 1987 Although revision has been extensively dealt with in the writing and learning to write literature this book proposes to revisit theory and research in this area through a series of new contributions The introduction begins with an overview of what revision encompasses It then examines two parallel interrogations that underlie the chapters assembled here namely 1 What are the implications of research on cognitive processes for instruction in revision 2 What are the

questions raised by instructional research for the investigation of cognitive processes of revision A final section presents the chapters of this book *Modern Essays* A. Gupta,2009 **A Dynamic Systems Theory Perspective on L2 Writing**

Development Shaopeng Li,2022-03-23 From the perspective of empirical complex dynamic systems this book investigates the complex and nonlinear process of L2 writing centering on three linguistic aspects of L2 writing development vocabulary syntax and discourse Combining dynamic systems theory variation analysis as well as data and cases studies from Chinese EFL learners writing the book critically engages with the heated discussion on dynamic patterns of L2 writing development that focus heavily on the linguistic dimensions of complexity accuracy and fluency The author expands the scope of the research by integrating both linguistic and functional dimensions of L2 output and examines the interaction and co development of these dimensions This framework helps delineate a full picture of individual learners L2 writing dynamic patterns across all components of their communicative repertoire The research findings suggest the developmental path of writing system for each EFL learner may differ which is influenced by their different learning characteristics and learning environments in China The title will appeal to scholars interested in applied linguistics and second language acquisition Suggestions on pedagogy and language learning advanced in the book will also make it a useful read for L2 language learners and TESOL and TEFL teachers More Inclusion Strategies That Work!
