Collaborating to Support All Learners in English, Social Studies, and Humanities Faye Brownlie, Leyton Schnellert, 2009

How can we help students develop the thinking skills they need to be successful learners? How does this relate to deep learning of important concepts? How can we engage and support diverse learners in inclusive classrooms where they develop understanding and thinking skills? In this book, Faye and Leyton explore these questions and offer classroom examples to help busy teachers develop communities where all students learn. This book is written by two experienced educators who offer a welcoming and can-do approach to the big ideas in education today. In this book, you will find insightful ways to teach diverse learners, e.g., literature and information circles, open-ended strategies, cooperative learning, inquiry, curriculum design frameworks, e.g., universal design for learning, UDL, and backward design, assessment for, of, and as learning, lessons to help students develop deep learning and thinking skills in English, Social Studies, and Humanities, excellent examples of theory and practice made accessible, real school examples of collaboration, teachers working together to create better learning opportunities for their students. **60**

Strategies for Improving Reading Comprehension in Grades K-8 Kathleen Feeney Jonson, 2005-12-21

Use these fun, easy-to-use activities to tackle the most challenging aspect of reading. Finally, someone has written a practical book filled with easy-to-read comprehension strategies. I will definitely use this book with teachers in my district to teach about and review comprehension strategies. The section on How Can We Learn More is also fantastic. Thank you, Kathleen Jonson. Hazel Brauer, Literacy Coordinator, Jefferson Elementary School, District, Daly City, CA.

This book is a comprehensive, well-organized guide to teaching reading comprehension. The clear, consistent layout of the lesson plans makes it easy for the teacher to locate and implement appropriate lessons quickly. The examples are very helpful, and the templates allow a teacher to begin lessons immediately. The wide variety of lesson plans makes this guide truly useful for all grade levels.

Myra Gamble, Reading Specialist, Spring Valley School, Millbrae, CA.
