Illustrated's 25th anniversary we've gathered together our most extraordinary recipes and innovations from the past quarter century in this hands on book packed with practical tips and techniques. These recipes tell the story of how Cook's Illustrated has changed American home cooking through its signature blend of rigorous testing, culinary research, science and unorthodox approaches to developing foolproof recipes. As fans know, a big part of what makes the magazine so trustworthy and enjoyable to read is the essays that accompany each recipe, tracing from initial brainstorming to aha moments and the occasional catastrophe to final success. Rarely republished since they first appeared, these feature length stories celebrate the art of food writing and the extensive work that goes into every recipe. In addition to the recipes, essays and helpful sidebars, this book also features the trademark black and white illustrations that have become synonymous with Cook's Illustrated, creative use of the beloved front and back cover art and a new addition: gorgeous full color photographs of each dish. Featured recipes include Perfect corn on the cob that never gets boiled, ultracreamy tomato soup that's completely dairy free, the fastest roast chicken recipe, oven grilled London broil and ingenious low key approaches to traditionally high fuss recipes such as risotto, French fries, pie crust and many more.

Perfectly Golden Angela Garbacz, 2020-04-28 A cookbook of treats from the Great Plains to satisfy every sweet tooth. Based in Lincoln, Nebraska, Goldenrod Pastries is a community bakery with an ambitious and talented baker at the helm. Angela Garbacz learned at her mother's and grandmothers' elbows, mixing up cookies and rolling sweet buns. Her training continued in New York City before she returned home and opened her dream shop. From her grandma's famous peach coffee cake to caramel covered pecan rolls, lemon meringue pie and frosted brownies to fluffernutter buns and confetti cookies, Garbacz's pastries come out of the oven perfectly golden and regularly sell out. At her bakery, she creates delicious treats without dairy or gluten, but every recipe in this book can be made with butter and all purpose flour just as easily as any alternative. With her positive attitude and confident voice, Garbacz makes it easy and fun to bake a perfect dessert that everyone can eat. This beautiful cookbook, the photography, the philosophy and the desserts is an instant classic.
