The Christian's Confidence Nate Saint,2020-07-01 Can a Christian go to Hell Can a Christian lose their salvation Can a Christian sin No study of soteriology the doctrine of salvation could be complete without thoroughly answering these important questions As we dive into God's Word and examine the truth about eternal security we'll discover the answer to these questions and more The Christian's Confidence is written with the same depth of information as those written by John Maxwell David Jeremiah John MacArthur Charles Stanley Warren Wiersbe and other leading Christian authors This book will give you an in depth look at an essential Bible doctrine Inside you'll find an analysis of what the Bible teaches about eternal security and a careful examination of the passages that seem to contradict that truth I sincerely hope that you will end up with a solid understanding of the truth that is clearly taught in the Bible and that you will be equipped to defend that truth in the face of those who would attack it Jesus said in John 8 32 And ye shall know the truth and the truth shall make you free When you understand the truth of eternal security you will be free free from the bondage of religion and free from fear When you know what the Bible says about salvation you can be truly free in Christ *Newly Created Children of God* Hyung-tae Kim,2025-10-07 This study makes an original contribution to our understanding of the connection between Paul's language of adoption huiotesia and his concept of new creation kainotaxis Although there has been much research on Paul's use of the adoption metaphor and of his concept of new creation no previous study has paid close attention to the connection between them and what this relationship means for the shape of Pauline theology For example recent studies of ethnicity in Paul often appeal to Abrahamic sonship or divine sonship in Romans and Galatians but the sense of new creation is virtually absent in the arguments The present study attempts to rectify that oversight through a dialogue with the Paul within Judaism school of scholars **Is God Fair? What About Gandhi?** Michael Riley; James William,2011-07-08 Our book will introduce you to a troubled man who came to Jesus by night His name Nicodemus After years of trying it became evident that he could not render perfect obedience It was as if he reached out to Jesus saying I'm stuck in my ways and traditions I still harbor sin in my heart It would be easier for me to re-enter my mother's womb a second time than for me to genuinely change The world shares this reality and tries to salve its wounds too often in very destructive ways The Rolling Stones recorded 1997 a song entitled Saint of Me The heartache in it is palpable Saint Paul the persecutor Was a cruel and sinful man Jesus hit him with a blinding light Then his life began And could you stand the torture And could you stand the pain Could you put your faith in

Jesus When you re burning in the flames And I do believe in miracles And I want to save my soul And I know that I m a sinner I m gonna die here in the cold I said yes I said yeah I said yeah oh yeah oh yeah You ll never make a saint of me Where does the power to change come from This question made plain by Nicodemus and lamented by the Stones has but one answer and this book provides it We believe that God will one day abolish the hopelessness and despair these words portray After accomplishing this God will prove that He is more than fair to every person The Gospel with its message of grace and peace will finally be seen for what it is God s ultimate right to restore all mankind We give you the reader solid reasons for believing all of these assertions

The Trustworthiness of God Paul Helm,Carl R. Trueman,2002 For two millennia the church has affirmed and celebrated Scripture as the written word of God However in the twentieth century the doctrine of Scripture became the focus and flashpoint for division One legacy of those debates has been a reluctance to address the nature of Scripture This collection of essays seeks to re-open dialogue on this fundamental tenet of the Christian faith by offering something of a prelude to a fresh approach to Scripture In particular these explorations seek to map out some implications of the fundamental link between the character of God as trustworthy and the trustworthiness of His word Following an introductory orientation the first two sections take soundings in selected texts from the Old and New Testaments The third section offers perspectives from church history and also grapples with aspects of the contemporary context and philosophical and epistemological issues Two responses to the main essays complete the collection None of the contributors wishes to articulate the discussion in terms of the categories of past controversies or pretends to offer an exhaustive analysis All however share the desire to engage their readers in constructive dialogue on this vital issue
