How to Hear from God

Study Guide Joyce Meyer, 2008-12-14. God wants to speak to you on a one to one basis every day. He wants to take you step by step to the good things He has in store for you. In the hustle and bustle of today's busy world, sometimes it's hard enough to hear yourself think, much less take a minute to stop and listen for the voice of God. But learning to recognize God's voice and the many ways in which He speaks is vital toward following His plan. In *How to Hear from God*, bestselling author Joyce Meyer revealed the ways in which God delivers His word and the benefits of asking Him for the sensitivity to hear His voice. In this companion study guide, she takes you a step further, leading you through an interactive process toward a greater understanding of how God is working in your life. With thoughtful question and answer sections and further Scripture reading as well as a recap on each of the book's chapters, Joyce Meyer has created an intimate and meaningful experience on the path to hearing God's Word for you personally. The *How to Hear From God Study Guide* includes more than 200 questions. Adapted from *How to Hear From God and Relevant Scriptures: A Workbook*, styled format so you can write your answers directly into the book. A section of answers to help guide you in your own personal reflections on the questions.

Studyguide: Theology in the Contemporary World Ben Pugh, 2017-10-30. No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads. They are bombarded with claim and counter claim as soon as they want to tackle anything topical. The contentious subjects tend to be the historical Jesus, gender and sexuality or the atonement. Other subjects might be less contentious but attract an astonishing excess of literature. Take the vast literature tackling the subject of the Church, for instance, or the bloated body of tomes on various aspects of Pneumatology. This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive, approachable and informative. It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry.
