Congratulations on purchasing the Royal WIS-44 Thermosolutions Weather Station. One remote sensor is included with this package.

Please read all the instructions to ensure understanding of the features.

The WIS-44 uses a liquid crystal display. On occasion, the display has an appearance of being damaged. This is especially true when first receiving the unit, or when using the unit. NOTE: After changing the batteries in the transmitter or base unit, both units must be completely reset as per the Setting Up Instructions.
